## Job summary

The **End User Compute and Collaboration (EUC&C)** team is a multifaceted group responsible for various critical functions within the organisation. The EUC&C team plays a vital role in enhancing the organisation's digital presence and improving collaboration and communication across various departments. Their efforts ensure that end-users have the tools and support they need to work efficiently and effectively.

The Collaboration Engineering team designs, delivers, and supports services built upon the full suite of E5 licensed products under M365, Power Platform and Azure. They offer tailored support, training, and promote the benefits of M365 tools through a Digital Champions community.

Where business needs allow, some roles may be suitable for a combination of office and home-based working. Where this is the case, employees will be expected to spend a minimum of **60% of their working time in the office**. Applicants can raise any queries to the email address at the bottom of the advert.

## Job description

As a Lead Technical Architect, you will drive the design and implementation of enterprise-wide technical solutions that shape our future business capabilities. Leading cross-functional teams, you'll ensure alignment with broader government strategies while guiding solutions around modern technologies like cloud, AI, IoT, blockchain, and more.

With a focus on security, agility, and innovation, you'll oversee multiple projects, mentor fellow architects, and collaborate with senior stakeholders. This is a pivotal role for an experienced leader passionate about delivering impactful solutions that support both user needs and organisational goals.

As a Lead Technical Architect, you will proactively shape and deliver infrastructure and technical solutions across multiple projects or teams. You will ensure solutions align with the wider enterprise architecture and strategic goals, leveraging modern technologies to drive innovative outcomes. Collaborating with a range of stakeholders, including senior leadership, cross-functional teams, and external partners. You will balance near-term delivery with long-term scalability, security, and maintainability.

You will define and evolve technical roadmaps, advise on strategic technology investments, and identify opportunities for continual improvement. Through clear, concise communication, you will secure buy-in for architectural initiatives and mentor junior architects to foster a high-performing architecture community. By evaluating emerging trends, incorporating lessons learned, and championing best practices, you will keep the technical estate flexible and future-proof, positioning the organisation for ongoing success.

## **Person specification**

### **Main Responsibilities:**

Define and maintain enterprise-wide technical strategies, roadmaps, and architectures aligned with broader business objectives.

Oversee design reviews, incorporating Secure by Design principles and compliance with architectural governance.

Coordinate with cross-government teams and external partners to ensure cohesive, integrated solutions.

Drive digital innovation by evaluating emerging technologies, embracing best practices, and championing continuous improvement.

Mentor and coach architects, fostering a culture of collaboration and technical excellence.

Facilitate the design and delivery of complex systems, ensuring performance, reliability, and security requirements are met.

Lead multiple projects, collaborating with stakeholders to address risks, budgets, and timelines.

Evaluate outcomes and integrate lessons learned into future strategies, enabling sustainable, long-term solutions.

## **Essential Skills:**

Consistent track record of ability to lead complex technical architectures, championing innovation and best practices.

Experience working across multiple domains or projects, coordinating with third-party suppliers and cross-government teams.

Aptitude for anticipating future technologies and aligning solutions with broader strategies and business outcomes.

Expertise in delivering secure, reliable, and scalable systems within defined time and quality constraints.

Strong grasp of agile methodologies, DevOps principles, and design patterns, paired with enterprise architecture frameworks (e.g., TOGAF).

Excellent stakeholder management and communication skills, translating complex technical topics for diverse audiences.

Demonstrated leadership in mentoring or guiding other architects or technical professionals.

## **SFIA capability framework**

Skills for the Information Age (SFIA) is the technical framework that sets the standard capability and development of all levels in the Home Office. This is a link to the capability framework: [All skills A - Z English \(sfia-online.org\)](http://All%20skills%20A%20-%20Z%20English%20(sfia-online.org).).

We use set SFIA technical skills to form our interview questions and we will assess you against these technical skills during the selection process.

The essential skills listed above are reflective of the Home Office Government Digital and Data Profession Career Framework (based on the industry standard SFIA framework). Use the SFIA [Levels of responsibility](#) to understand what would be expected for each technical skills listed below.

## Things you need to know

### Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually

accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

## **Selection process details**

This vacancy is using [Success Profiles \(opens in a new window\)](#), and will assess your Experience and Technical skills.

As part of the application process, you will be asked to complete a **CV and Personal Statement (up to 1000 words)**. Please note your CV and personal statement should include all relevant experience that relates to our essential skills criteria listed in the advert and role description. We recommend that you use the [STAR](#) format in your examples and ensure that both components are completed thoroughly.

Remove information that identifies you (for example your name, age or place of education) so that you will be judged on merit alone and not your personal background, circumstances, race or gender. Do NOT include e-mail addresses or links to online profiles, resumés, or prior work, either personal or business. Active links or e-mail addresses will result in your application being rejected.

Watch our three short videos on how to apply for our roles: [Applying - Home Office Careers](#).

## **Sift Stage**

The sift will be held on the **CV and Personal Statement**. Please read the essential skills for this position carefully. We will only consider those who meet the listed requirements.

In the event of a high number of applications received, an initial sift may be held on the personal statement.

## **Interview Stage**

Candidates reaching the required standard will then be invited to attend an interview. The interview will assess your **Technical Skills (SFIA Framework)** using technical-based questions.

If you are invited to an interview, you will be required to bring a range of documentation for the purposes of establishing identity and to aid any pre-employment checks. Please see the attached list of Home Office acceptable ID documents.

### **Sift and Interview dates**

The sift will commence from **11th February 2026**.

Interviews are expected to take place from **2nd March 2026**. (Subject to the Panel's operational requirements/priorities).

Interviews will be conducted remotely via MS Teams.

We will try to meet the dates set out in the advert. There may be occasions when these dates will change. You will be provided with sufficient notice of the confirmed dates.

### **Further information**

If you have previously made an unsuccessful application for a role with the same essential skills and are not able to demonstrate how you have developed these skills since your last application, please reconsider applying as your application is unlikely to be successful.

In order to process applications without delay, we will be sending a Criminal Record Check to Disclosure and Barring Service on your behalf. However, we recognise in exceptional circumstances some candidates will want to send their completed forms directly. If you are doing this, please advise Government Recruitment Service of your intention by emailing Pre-EmploymentChecks.grs@cabinetoffice.gov.uk stating the job reference number in the subject heading.

### **Reserve list**

A reserve list of successful candidates will be kept for 12 months. Should another role become available within that period you may be offered this position.

Reserve lists may be held for each location. Candidates will be appointed in merit order by location where this applies.

## **Similar Roles**

Job offers to this post are made based on merit. We often have similar roles available at different grades. If a candidate is suitable for a similar role or a lower grade than they have applied for, we may offer the candidate that role without the need to go through a further selection process providing the role has the same behaviours and essential skills.

## **UK residency and security requirements**

For meaningful security checks to be carried out, individuals need to have lived in the UK for a sufficient period of time. Learn more on our website. [Security Checks - Home Office Careers](#).

Please note that this role requires Security Check (SC) clearance, which would normally need 5 years UK residency in the past 5 years.

However, in exceptional circumstances security clearance applications for candidates who have been present in the UK for at least 3 of the last 5 years may be considered. Failure to meet this residency requirement will result in your security clearance application being rejected.

For further information on National Security Vetting please visit the following page [Demystifying Vetting - GOV.UK](#).

## **Visa Sponsorship**

We are unable to sponsor any individuals via Skilled Worker Sponsorship / Tier 2 (General) work visas as we do not hold a UK Visa & Immigration (UKVI) Skilled Worker License.

## **Capability allowance**

The advertised role is part of the Home Office Government Digital and Data Profession. This role has access to a digital capability-based allowance. Applicants who are successful at interview will be invited to complete a Capability and Skills Assessment post-interview. Any allowance awarded will be based on the assessment of your capability against the six skills advertised for this role. Please see the [Home Office Pay Framework Allowance Careers](#) page for more information.

The allowance values are set by the Home Office, subject to remaining in a qualifying role and are non-pensionable. This allowance is non-contractual, subject to an annual review and could be withdrawn at any time.

For both new entrants and existing civil servants, the total compensation offer is a combination of base salary and, if applicable, a capability-based allowance. The pay ranges for this role are National: £62,109 - £68,320 and London: £66,229 - £72,852. New entrants to the Civil Service will start on the pay range minimum. For existing civil servants, our policies on level transfer and promotion will apply.

## **Working at the Home Office**

Every day, Home Office civil servants do brilliant work to develop and deliver policies and services that affect the lives of people across the country and beyond. To do this effectively and fairly, the Home Office is committed to representing modern Britain in all its diversity, and creating a welcoming, inclusive workplace where all our people can bring their whole selves to work and perform at their best.

We are flexible, skilled, professional and diverse. We work to recruit and retain disabled staff and area Disability Confident Leader. We are proud to be one of the most ethnically diverse departments in the civil service. We are a Social Mobility Foundation top 75 employer.

**New entrants** are expected to join on the minimum of the pay band.

Applicants who are successful at interview will be, as part of pre-employment screening, subject to a check on the Internal Fraud Database (IFD). This check will provide information about employees who have been dismissed for fraud or dishonesty offences. This check also applies to employees who resign or otherwise leave before being dismissed for fraud or dishonesty had

their employment continued. Any applicant's details held on the IFD will be refused employment.

For further information please see the attached notes for candidates which must be read before making an application.

Existing Civil Servants should note that some of the Home Office terms and conditions of employment have changed. It is the candidate's responsibility to ensure they are aware of the Terms and Conditions they will adopt should they be successful in application and should refer to the notes for candidates for further details.

Transfer Terms: Voluntary.

You will need to meet the nationality requirements for this role and obtain the necessary security clearance to take it up.

Any move to the Home Office from another employer will mean you can no longer access childcare vouchers. This includes moves between government departments. You may however be eligible for other government schemes, including Tax Free Childcare. Determine your eligibility at <https://www.childcarechoices.gov.uk>.

## **Reasonable Adjustments**

If a person with disabilities is at a substantial disadvantage compared to a non-disabled person, we have a duty to make reasonable changes to our processes.

If you need a change to be made so that you can make your application, you should:

Contact Government Recruitment Service via  
[HOrecruitment.grs@cabinetoffice.gov.uk](mailto:HOrecruitment.grs@cabinetoffice.gov.uk) as soon as possible before the closing date to discuss your needs.

Complete the Assistance Required section in the Additional Requirements page of your application form to tell us what changes or help you might need further on in the recruitment process. For instance, you may need wheelchair access at interview, or if you are deaf, a language service professional.

If you are experiencing accessibility problems with any attachments on this advert, please contact the email address in the [Contact point for applicants](#) section.

## **Feedback**

Feedback will only be provided if you attend an interview or assessment.

## **Security**

Successful candidates must undergo a criminal record check.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is [security check \(opens in a new window\)](#).

[See our vetting charter \(opens in a new window\)](#).

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.

## **Nationality requirements**

This job is broadly open to the following groups:

UK nationals

nationals of the Republic of Ireland

nationals of Commonwealth countries who have the right to work in the UK

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities with settled or pre-settled status under the [European Union Settlement Scheme \(EUSS\) \(opens in a new window\)](#)

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities who have made a valid application for settled or pre-settled status under the European Union Settlement Scheme (EUSS)

individuals with limited leave to remain or indefinite leave to remain who were eligible to apply for EUSS on or before 31 December 2020

Turkish nationals, and certain family members of Turkish nationals, who have accrued the right to work in the Civil Service

[Further information on nationality requirements \(opens in a new window\)](#)

### **Working for the Civil Service**

The [Civil Service Code \(opens in a new window\)](#) sets out the standards of behaviour expected of civil servants.

We recruit by merit on the basis of fair and open competition, as outlined in the Civil Service Commission's [recruitment principles \(opens in a new window\)](#).

The Civil Service embraces diversity and promotes equal opportunities. As such, we run a Disability Confident Scheme (DCS) for candidates with disabilities who meet the minimum selection criteria.

The Civil Service also offers a Redeployment Interview Scheme to civil servants who are at risk of redundancy, and who meet the minimum requirements for the advertised vacancy.

### **Diversity and Inclusion**

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan \(opens in a new window\)](#) and the [Civil Service Diversity and Inclusion Strategy \(opens in a new window\)](#).

## **Apply and further information**

This vacancy is part of the [Great Place to Work for Veterans \(opens in a new window\)](#) initiative.

Once this job has closed, the job advert will no longer be available. You may want to save a copy for your records.
