Job description

This is an exciting and challenging role for those looking to deliver and inform technological change against a background of organisational transformation.

Valuation Office Customer Group provides digital services and IT support to the Valuation Office: drawing on HMRC's digital expertise to ensure our customer (the Valuation Office) gets the right level of service as well as building and supporting specialist unique services.

There are some important attributes that we are looking for in anyone joining Chief Digital Product Office, Valuation Office. You must have a collaborative approach and a passion to communicate effectively. You will take accountability and ownership with the ability to coach, mentor, reflect and ability to give and take feedback. You will be flexible and adaptable, working with a sense of urgency and passionate about having Customer at the heart of what you do.

The Valuation Office is currently in the process of a transformation project. This role will involve working with a multi disciplined team to deliver new services within multiple environments and working with wider stakeholders. The work will include coding and completing the process to enable the systems to go live.

As a Developer, you will work within a delivery team; building high-quality, reliable, and maintainable digital services. You will help to further the capability of our technical community by demonstrating best practices and sharing knowledge through community events and academy sessions. You will work within your team under the guidance of your lead or senior developer, often pairing as you employ a test-driven approach to software development, helping your team to meet the needs of our users.

As a member of the Software Developer community, you will be working as part of a DevOps team using Agile best practices. You will work alongside other Developers producing test driven code and advising on software engineering best practices. Collaborating across disciplines within your team, you will help ensure the digital services being delivered help our stakeholders achieve their aims, meet HMRC standards and enable the organisation to achieve its strategic objectives.

Person specification

The candidate will have a proven record of being able work within a multi discipline team, contributing to discussions and seeking to resolve issues as they arise. They will be part of a development team where they be coding to standard and on time, while able to prioritise work on their own, picking up tickets as they are assigned to them.

There will be some monitoring of the services using platform tool to understand the health and stability of the services.

Role responsibilities:

Scala programming.

Maintain legacy applications.

Develop and maintain new applications using the team's chosen technologies and tools.

Apply agreed best practice and internal coding standards.

Write Unit Tests.

Peer-review code and ensure software is source controlled.

Trouble-shoot software and work with Live Services to resolve issues.

Create documentation.

Assist colleagues with your technical expertise.

Communicate with customers and colleagues to ensure solutions are well understood and optimally coded to deliver on business requirements.

Essential Criteria

Working alongside other developers and professions to realise working software.

Using Scala to build frontend (HTML/CSS/JS) and backend microservices.

Continuous integration (unit testing, TDD, Jenkins, Git).

Experience of MVC frameworks (Spring, Play, etc).

Working in an agile software development role focussing on user-centred design.

Problem solving and delivering a range of possible solutions, including through technical work and process improvement.

Operating a live service, using observability tooling such as Kibana, Grafana and Google Tag Manager.

Experience in using Atlassian Suite (Jira, Confluence, Bitbucket, Bamboo) or equivalent tools.

Desirable Criteria

Working within a GDS style delivery assurance framework and with a design system such as the GOV.UK Design System.

Further Location Information

Please ensure that you only apply for a location that you are willing and able to work from, as we will only make one offer of employment. Any additional notes included in a Further Location Preferences (optional) field within the application form, will not be considered. Please be aware that you cannot change your location preference after submitting your application.

Office closures

For more information on where you might be working, [review this information on our locations](#).

If your location preference is for one of the following sites, it's important to note that these are not long-term sites for HMRC and we will require you to move to a new building in the future, subject to our location strategy and the applicable employee policies at that time.

These sites are:

Lynx House, Portsmouth - moving to an alternative office in Portsmouth

Telford Plaza, Telford - moving to Parkside Court, Telford

You will be given more information about what this means at the job offer stage.

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

Selection process details

How to Apply

As part of the application process, you will be asked to provide the following:

- A name-blind CV including your job history and previous experiences.

- A 750-word Personal Statement evidencing your suitability for the role, focussing on the Person Specification and how you meet the Essential Criteria.

Please complete a separate statement (Max 250 words) for the Desirable Criteria where applicable. This is not essential for the role but may be considered by the vacancy-holder where candidates have the same scores at interview.

Further details around what this will entail are listed on the application form.

Sift

A full sift will be held on your CV and Personal Statement, with the successful candidates being invited to interview.

We may also raise the score required at any stage of the process if we receive a high number of applications.

Interview

During the panel interview, you will be assessed on Experience.

Interviews will take place via video link. Sift and interview dates to be confirmed. Please note that circumstances may arise that require the planned interview format to change. We will endeavour to provide you with as much notice of any change as possible.

Eligibility

Please take extra care to tick the correct boxes in the eligibility sections of your application form. Mistakes sometimes happen but if you contact us later than two working days (Monday-Friday) before the vacancy closes, we may not be able to reopen your application for you. If you do make a mistake with your eligibility form or have withdrawn yourself in error and need your application reinstated whilst the campaign is still live, please contact us via: unitybusinessservicesrecruitmentresults@hmrc.gov.uk Use the subject line to insert appropriate wording for example Please re-open my application **[insert vacancy ref]** & vacancy closing date **[insert date]** .

To check that you are eligible to apply for this role, please review the eligibility information before submitting your application.

Exceptionally, candidates who are not successful at this grade may be considered for appointment to similar roles at a lower grade where the eligibility criteria are met. If this applies, we will contact you directly.

Sponsorship

We have assessed this role against both Home Office and HMRC criteria and we are unable to offer sponsorship for a Skilled Worker Visa. This means the vacancy is not open to applicants who require visa sponsorship.

The HMRC app can help you with your application

The [HMRC app](#) can provide you with your past 5 years' employment history, making the process of filling in your application quicker and easier.

If successful in your application, you will need your National Insurance number for the onboarding process.

Download the [HMRC app](#) now and save your National Insurance number to your digital phone wallet.

How to download the HMRC app and sign up for an account

Download the free [HMRC app](#) from the App Store or Google Play store.

If you have an HMRC online account already, sign straight in using your ID and password. If not, you can prove your identity by answering some questions or providing your photo ID.

You'll then be able to access the app quickly and easily by signing in using a 6-digit PIN, your fingerprint, or facial recognition.

You can find guidance for technical issues on GOV.UK: [Technical support with HMRC online services](#).

Reserve List

A reserve list may be held for up to 12 months from which further appointments may be made for the same or similar roles – if this applies to you, we'll let you know via your Civil Service Jobs account.

Merit List

After interview, merit lists will be created for each location advertised within the vacancy. If you are successful at interview, you will be placed on the merit list for any locations you have expressed an interest for. Appointments from each merit list will be made in strict merit order.

Criminal Record Check

Applications received from candidates with a criminal record are considered fairly in accordance with the DBS Code of Practice and the Recruitment of ex-offenders Policy.

Hybrid working at HMRC

HMRC is an office-based organisation, and colleagues are expected to spend 60% of their working time in the office. Our offices provide opportunity for interaction, collaboration which aids learning and development and a sense of community. Where the role allows it, and where the home environment is suitable, colleagues can work from home for up to 2 days a week, averaged over a calendar month (or a proportionate amount of time for colleagues who work less than full time).

Reasonable Adjustments

We want to make sure no one is put at a disadvantage during our recruitment process. To assist you with this, we will reduce or remove any barriers where possible and provide additional support where appropriate.

If you need a change to be made so that you can make your application, you should:

Contact the UBS Recruitment team via unitybusinessservicesrecruitmentresults@hmrc.gov.uk as soon as possible before the closing date to discuss your needs.

Complete the Assistance required section in the Additional requirements page of your application form to tell us what changes or help you might need further on in the recruitment process. For instance, you may need wheelchair access at interview, or if you're deaf, a Language Service Professional.

Technical Support

If you are experiencing problems that cannot be resolved by our [help](#) section, then [technical support](#) is available. You will receive a reply in 2 working days.

Important Information for Existing HMRC Contractual Homeworkers

This role may be suitable for existing HMRC employees who are contractual homeworkers. Occasional attendance to the office will be required where there is a business need. Please consider the advertised office locations for this role when applying and only select locations from the location preferences section that you can travel to.

Terms and Conditions

Customer facing roles in HMRC require the ability to converse at ease with members of the public and provide advice in accurate spoken English and/or Welsh where required. Where this is an essential requirement, this will be tested as part of the selection process.

HMRC has a presence in every region of the UK. For more information on where you might be working, [review this information on our locations](#).

The Civil Service values honesty and integrity and expects all candidates to abide by these principles. The evidence you provide in your application must relate to your own experiences.

Any instances of plagiarism or other forms of cheating will be investigated and, if proven, the relevant application(s) will be withdrawn from the process.

Recording of interviews is prohibited unless explicit agreement is sought in line with the UK General Data Protection Regulations.

Questions relating to an individual application must be emailed as detailed later in this advert.

Applicants who are successful at interview will be, as part of pre-employment screening, subject to a check on the Internal Fraud Database (IFD). This check will provide information about employees who have been dismissed for fraud or dishonesty offences. This check also applies to employees who resign or otherwise leave before being dismissed for fraud or dishonesty had their employment continued. Any applicant's details held on the IFD will be refused employment.

A candidate is not eligible to apply for a role within the Civil Service if the application is made within a 5 year period following a dismissal for carrying out internal fraud against government.

New entrants will join on the minimum of the pay band.

Please note that, if you are applying for roles on a part-time basis, the salary agreed will be pro-rata, reflective of the working hours agreed within your contract.

If you experience accessibility problems with any attachments on this advert, please contact the email address in the 'Contact point for applicants' section.

For more Information for people applying for, or thinking of applying for, roles at HM Revenue and Customs, please see link: [Working for HMRC: information for applicants - GOV.UK](#).

Feedback will only be provided if you attend an interview or assessment.
