About the job

Job summary

This position is based Nationally

Job description

This Principal Psychologist post located in the Directorate of Security Psychology team. The post will primarily responsibility for the psychology service provided into security vetting and proactive intelligence teams. These areas of work are new, and the post holder will be instrumental in the development and implementation of the psychology service into these teams.

The vetting medical team assess an individual's suitability to hold a security clearance where that individual has a medical condition which may have an impact on the clearance. The role is to provide vetting assessors with an assessment and recommendation as to the medical implications of each case. The role will provide clinical case consultations and training as required. HMPPS proactive intelligence teams provide services at a national, regional, and local establishment level. The post holder will ensure a psychologically informed service for both the proactive intelligence teams and those managed by them.

Both elements of the role require the development of policy and practice to ensure effective delivery across the government. This is a national role with regular and routine requirement to travel. This post requires developed vetting clearance levels.

Technical Requirements

Registered Practitioner Psychologist with the Health and Care Professions Council and eligible to use a protected title The job holder will be a Registered Practitioner Psychologist with the Health and Care Professions Council and eligible to use a protected title.

They are likely to also be a Chartered Psychologist with Full member of the appropriate division of the BPS if the post requires it.

They will have experience of delivering psychological services directly, and through a managed team. They will have been registered for over two years
