HMRC is transforming the UK's tax system through cutting-edge digital innovation and the Chief Digital and Information Officer (CDIO) Group is at the heart of that mission.

We are building high-quality digital services that will enhance the customer experience, enable real time interactions, and make tax simpler and more intuitive for everyone. By equipping our colleagues with modern tools and technologies, we are also reshaping how we work – allowing HMRC to focus its resources where they can deliver the greatest impact.

Job description

About the role

As a Robotics Developer, you will design, build and support robotic automation solutions using NICE Real Time Designer within an Agile DevOps team. Our robotics team delivers automation that extends the capability of existing systems, enabling new functionality while driving measurable cost savings.

This is a hands on development role focused on delivering high quality, testable automation solutions and maintaining live services.

Person specification

What you ll do

Design and build high-quality robotic automation solutions to meet business needs

Work within an Agile team to estimate, plan and deliver user stories and technical tasks

Write clean, secure and well-tested code in line with modern development principles

Follow and contribute to engineering standards, improving ways of working where possible

Support live services, proactively monitoring and resolving issues in production

Support and mentor junior colleagues, helping to build capability across the team

This role may include line management responsibilities, supporting and developing junior developers and apprentices.

Essential criteria

You must be able to demonstrate:

Practical experience building automation solutions using NICE or a similar RPA tool

Experience working in a software development environment using Agile practices.

Experience applying continuous integration practices, including unit testing, test-driven development and version control using tools such as Git.

Experience of testing approaches, such as performance, accessibility and security

Experience supporting or maintaining live services, using monitoring or observability tools to identify and resolve issues.

Ability to solve technical problems and improve processes.

Desirable Criteria

It is desirable for you to demonstrate experience of:

Experience of NICE Robotics Process Automation.

Experience of working with SQL databases.

Experience of API integration into robotic services.

Experience with principles of continuous delivery.

Experience with HTML, JavaScript, SQL and C# or similar languages.

Further Location Information

Please ensure that you only apply for a location that you are willing and able to work from, as we will only make one offer of employment. Any additional notes included in a Further Location Preferences (optional) field within the application form, will not be considered. Please be aware that you cannot change your location preference after submitting your application.

Office Closures

If your location preference is for one of the following sites, it is important to note that these are not long-term sites for HMRC and we will require you to move to a new building in the future, subject to our location strategy and the applicable employee policies at that time.

For more information on where you might be working, [review this information on our locations \(opens in a new window\)](#)

These sites are:

Benton Park View, Newcastle - moving to Pilgrims Quarter, Newcastle

Telford Plaza, Telford - moving to Parkside Court, Telford

Trinity Bridge House, Salford - moving to an alternative office in Manchester/ Salford

You will be given more information about what this means at the job offer stage.

Leeds Locations

Moves Adjustment Payment will be available for this role, provided the successful applicant is a current HMRC colleague in Bradford and meets the eligibility requirements outlined in the HMRC's Moves Adjustment Payment guidance.

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

Selection process details

This vacancy is using [Success Profiles \(opens in a new window\)](#), and will assess your Behaviours, Experience and Technical skills.

How to Apply

As part of the application process, you will be asked to provide the following:

A name-blind CV including your job history and previous experiences. Your CV should cover up to a maximum of your last 3 roles. The word limit for each role is 100 words. Please outline your key responsibilities and any significant achievements for each position.

A 750-word Personal Statement. Your Personal Statement should be used to describe how your skills and experience would be suitable for the advertised role, making reference to the Essential Criteria as outlined in

the Person Specification.

A Separate 250-word Technical Statement based on "How would you go about identifying and capturing an element on screen to interact with through robotic automation?"

Please evidence any Desirable Criteria where applicable, (up to 250 words max). This is not essential for the role but may be considered by the vacancy holder where candidates have the same score at interview.

Further details around what this will entail are listed on the application form.

Sift

In the event of a large number of applications being received, an initial sift may be held on your Technical Statement.

At full sift your CV, your Personal Statement and your Technical Statement, will be assessed, with the successful candidates being invited to interview.

We may also raise the score required at any stage of the process if we receive a high number of applications.

Interview

During the panel interview, your Experience will be accessed. You will be asked to evidence your experience in **Systems Design** and **Prototyping**. You will also be asked Behaviour-based questions to explore in detail what you are capable of relating to the behaviour - Working Together.

You will be asked a Technical question based on Robotic Design to assess your competency in **System Design**.

Please refer to the framework. Here is a link to the Framework: <https://ddat-capability-framework.service.gov.uk/skills>.

You will also be asked to prepare (in advance) and deliver a short Presentation, to assess your experience. Full details will be provided if you are shortlisted.

Interviews will take place via video link. Sift and interview dates to be confirmed.

Eligibility

Please take extra care to tick the correct boxes in the eligibility sections of your application form. Mistakes sometimes happen but if you contact us later than two working days (Monday-Friday) before the vacancy closes, we may not be able to reopen your application for you. If you do make a mistake with your eligibility form, or have withdrawn yourself in error and need your application reinstated whilst the campaign is still live, please contact us via: unitybusinessservicesrecruitmentresults@hmrc.gov.uk Use the subject line to insert appropriate wording for example Please re-open my application **[insert vacancy ref]** & vacancy closing date **[insert date]** .

To check that you are eligible to apply for this role, [please review the eligibility information before submitting your application.](#)

The HMRC app can help you with your application

The [HMRC app](#) can provide you with your past 5 years' employment history, making the process of filling in your application quicker and easier.

If successful in your application, you will need your National Insurance number for the onboarding process.

Download the [HMRC app](#) now and save your National Insurance number to your digital phone wallet.

How to download the HMRC app and sign up for an account

Download the free [HMRC app](#) from the App Store or Google Play store.

If you have an HMRC online account already, sign straight in using your ID and password. If not, you can prove your identity by answering some questions or providing your photo ID.

You will then be able to access the app quickly and easily by signing in using a 6-digit PIN, your fingerprint, or facial recognition.

You can find guidance for technical issues on GOV.UK: [Technical support with HMRC online services](#).

Reserve List

A reserve list may be held for up to 12 months from which further appointments may be made for the same or similar roles – if this applies to you, we'll let you know via your Civil Service Jobs account.

Merit List

After interview, a single merit list will be created, and you will only be considered for posts in locations you have expressed a preference for. Appointments will be made in strict merit order in line with the set number of roles in each location.

Criminal Record Check

Applications received from candidates with a criminal record are considered fairly in accordance with the DBS Code of Practice and the Recruitment of ex-offenders Policy.

Hybrid working at HMRC

HMRC is an office-based organisation, and colleagues are expected to spend 60% of their working time in the office. Our offices provide opportunity for interaction, collaboration which aids learning and development and a sense of community. Where the role allows it, and where the home environment is suitable, colleagues can work from home for up to 2 days a week, averaged over a calendar month (or a proportionate amount of time for colleagues who work less than full time).

Reasonable Adjustments

We want to make sure no one is put at a disadvantage during our recruitment process. To assist you with this, we will reduce or remove any barriers where possible and provide additional support where appropriate.

If you need a change to be made so that you can make your application, you should:

Contact the UBS Recruitment team via unitybusinessservicesrecruitmentresults@hmrc.gov.uk as soon as possible before the closing date to discuss your needs.

Complete the Assistance required section in the Additional requirements page of your application form to tell us what changes or help you might need further on in the recruitment process. For instance, you may need wheelchair access at interview, or if you're deaf, a Language Service Professional.

Technical Support

If you are experiencing problems that cannot be resolved by our [help](#) section, then [technical support](#) is available. You will receive a reply in 2 working days.

Additional Security Information

Please note in addition to the standard pre-employment checks for appointment into the Civil Service, all candidates must also obtain National Security Vetting at Security Check (SC) clearance level for this vacancy. You will normally need to meet the minimum UK residency period as determined by the level of vetting being undertaken, which for SC is 5 years UK residency prior to your vetting application. If you have any questions about this residency requirement, please speak to the vacancy holder for this post.

From 1 April 2026, applicants will be required to meet updated nationality and residency requirements so that National Security Vetting (NSV) checks can be conducted. If this affects you, we will give you more information at the appropriate time.

Important information for existing HMRC contractual homeworkers

This role may be suitable for existing HMRC employees who are contractual homeworkers. Occasional attendance to the office will be required where there is a business need. Please consider the advertised office locations for

this role when applying and only select locations from the location preferences section that you can travel to.

Terms and Conditions

Customer facing roles in HMRC require the ability to converse at ease with members of the public and provide advice in accurate spoken English and/or Welsh where required. Where this is an essential requirement, this will be tested as part of the selection process.

HMRC has a presence in every region of the UK. For more information on where you might be working, [review this information on our locations \(opens in a new window\)](#).

The Civil Service values honesty and integrity and expects all candidates to abide by these principles. The evidence you provide in your application must relate to your own experiences.

Any instances of plagiarism or other forms of cheating will be investigated and, if proven, the relevant application(s) will be withdrawn from the process.

Recording of interviews is prohibited unless explicit agreement is sought in line with the UK General Data Protection Regulations.

Questions relating to an individual application must be emailed as detailed later in this advert.

Applicants who are successful at interview will be, as part of pre-employment screening, subject to a check on the Internal Fraud Database (IFD). This check will provide information about employees who have been dismissed for fraud or dishonesty offences. This check also applies to employees who resign or otherwise leave before being dismissed for fraud or dishonesty had their employment continued. Any applicant's details held on the IFD will be refused employment.

A candidate is not eligible to apply for a role within the Civil Service if the application is made within a 5 year period following a dismissal for carrying out internal fraud against government.

New entrants will join on the minimum of the pay band.

Please note that, if you are applying for roles on a part-time basis, the salary agreed will be pro-rata, reflective of the working hours agreed within your contract.

If you experience accessibility problems with any attachments on this advert, please contact the email address in the 'Contact point for applicants' section.

For more Information for people applying for, or thinking of applying for, roles at HM Revenue and Customs, please see link: [Working for HMRC: information for applicants - GOV.UK](#).

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is [security check \(opens in a new window\)](#).

[See our vetting charter \(opens in a new window\)](#).

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.
