This role is part of HMRC Valuation Office, formerly known as the Valuation Office Agency. We have recently integrated into HMRC.

HMRC Valuation Office are the public sector's property valuation experts and advisers with a vision to be a world-leading provider of public sector valuations. Our work is vital to the collection of over £60 billion of revenue which goes back into communities, touching every citizen and every business across England and Wales.

Job description

Role Overview

Innovation is crucial to the Valuation Office (VO) and it shapes how the organisation can continue to deliver world-class valuations, provide an excellent customer experience, and be a great place to work. You will be joining at an exciting time to help the utilisation of data to improve and grow the services we provide. Our unit has a focus on learning & development and exploring emerging opportunities. We have an open transparent culture based on collective responsibility and accountability, where all teams are focused on delivering practical solutions with a demonstrable benefit for the organisation and its customers. We support each other, we help each other, and we learn from each other.

This role sits within the Power Platform Team of the Data Science and Artificial Intelligence for Operations unit (DS&AI). A diverse multi-disciplinary team at the centre of VO Digital Transformation supporting operational

teams across the business to tackle real operational problems with a measurable impact. We have bold plans to unlock the value of data in the Valuation Office, and you will be at the heart of this, contributing to the team's vision of finding practical solutions to solve operational problems utilising data science, artificial intelligence and the Power Platform.

The Power Platform team is responsible for fulfilling user requirements with by designing and building solutions utilising Power Platform tools, especially focusing on the use of Power Apps, Power Automate and Copilot Studio. As a Power Platform Developer, you'll be supporting the Power Platform Lead in delivering solutions utilising the Power Platform tools, including creating project scopes, designing and building solutions, testing and validation against acceptance criteria and helping land the solution with operational users, and maintaining built solutions as live products.

We want to hear from people who:

- Have a drive to innovate and improve.

- Thrive in collaborative environments and enjoy working across boundaries to achieve a common goal.

- Have enthusiasm for what they do and want to make positive change.

- Actively support their team and help them develop and grow.

- Demonstrate the tenacity and pragmatism needed to see things through to completion.

"I am passionate and excited to see the difference our unit can make through digital innovation with data science, AI and Power Platform. I want us to help operational staff focus their efforts in high-value activities, and to work together with them to innovate new, better ways of working. If you have the enthusiasm for no-code/low-code development, automation and problem solving, digital innovation and their role in supporting impactful change, I want to hear from you. As we are building a new delivery model for utilising Microsoft automation tools, this will be an excellent opportunity for you to make your mark and have excellent learning opportunities for your skills development and future career prospects. **Emmi Yla-Pynnonen, Head of Data Science and AI Enablement**

Key responsibilities

Develop software solutions using Power Platform tools (Power Apps, Power Automate, Power BI) to meet user needs and organisational objectives.

Collaborate with your team to provide accurate estimates for user stories, tasks, and requirements, ensuring timely delivery of features.

Follow best practice guidelines for development and actively contribute to improving those standards within the team and wider community.

Write clean, secure, and well-tested code that adheres to organisational and industry standards.

Operate and maintain the services you build, proactively identifying and resolving issues in production environments.

Engage with stakeholders to understand requirements and ensure solutions align with business goals and user expectations.

Participate in and contribute to the team and the Power Platform community of practice, through initiatives such as knowledge-sharing sessions, workshops, or other activities that support professional growth.

Person specification

Essential Requirements

Experience working collaboratively with other developers or multidisciplinary teams to deliver high-quality Power Platform solutions.

Proficiency in developing applications using Power Apps, Power Automate with a strong understanding of data modelling and integration with Microsoft Dataverse or other data sources.

Knowledge of continuous integration and deployment practices, such as unit testing, automated workflows, and version control using Application Lifecycle Management (ALM) tools.

Knowledge of modern development frameworks and patterns relevant to Power Platform and low-code environments, such as component-based design and reusable templates.

Strong problem-solving skills, with the ability to propose and implement a range of technical solutions and process improvements to meet user needs.

Strong communication skills to engage with both technical and non-technical stakeholders.

Knowledge of operating and supporting live services, including monitoring and troubleshooting using observability tools such as Power Platform Admin Centre, Application Insights, or similar monitoring solutions.

Desirable Requirements

Knowledge developing Power Platform solutions using Copilot Studio.

Experience of agile software development environment, with a focus on user-centred design and iterative delivery.

Behaviours

We'll assess you against these behaviours during the selection process:

Changing and Improving

Managing a Quality Service

Delivering at Pace

Technical skills

We'll assess you against these technical skills during the selection process:

Ability to develop and maintain solutions on Power Platform.

Benefits

Alongside your salary of £37,682, HM Revenue and Customs contributes £10,916 towards you being a member of the Civil Service Defined Benefit Pension scheme. [Find out what benefits a Civil Service Pension provides \(opens in a new window\)](#).

HMRC operates both Flexible and Hybrid Working policies, allowing you to balance your work and personal commitments. We welcome applications from those who need to work a more flexible arrangement and will agree to requests where possible, considering our operational and customer service needs.

We offer a generous leave allowance that starts at 25 days, increasing by a day for every year of qualifying service up to a maximum of 30 days and a Civil Service Pension with an average employer contribution of 28.97%.

Pension - We make contributions to our colleagues Alpha pension equal to at least 28.97% of their salary.

Family friendly policies.

Personal support.

Coaching and development.

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our candidate guidance (opens in a new window) for more information on appropriate and inappropriate use.

Selection process details

This vacancy is using Success Profiles (opens in a new window), and will assess your Behaviours, Strengths, Experience and Technical skills.

How to Apply

If you can meet our person requirements above, we are keen to hear from you. To apply for this post, you must complete an online application with the following:

A CV setting out your Job History and Previous skills and experiences.

A Personal Statement (maximum 750 words) please outline your suitability for the role. Please pay particular attention to the Essential Requirements and Person Specification outlined in the advert when providing your answer.

Sift - w/c 17 August Please note these dates are provisional and may be subject to change.

We will assess you on your CV and Personal Statement.

Should a large number of applications be received, an initial sift may be conducted on Personal Statement against this essential criteria -

Proficiency in developing applications using Power Apps, Power Automate with a strong understanding of data modelling and integration with Microsoft Dataverse or other data sources.

Candidates who pass the initial sift may be progressed to a full sift or progressed straight to interview.

Interviews - w/c 7 September Please note these dates are provisional and may be subject to change. These will be confirmed should you be invited to interview.

Interviews are currently taking place using Microsoft Teams Video. We will provide more detail if you are shortlisted for interview.

We will assess you on the Behaviours listed in the job description , Strengths and a Presentation.

At the interview, the panel can then probe further and ask applicants to provide further specific examples that show how they best demonstrate their skills.

Technical Presentation

You will be required to conduct a presentation during the interview. Information on the presentation will be provided to you if you are shortlisted for interview.

Eligibility

Please take extra care to tick the correct boxes in the eligibility sections of your application form. Mistakes sometimes happen but if you contact us later than two working days (Monday-Friday) before the vacancy closes, we may not be able to reopen your application for you.

If you do make a mistake with your eligibility form, or have withdrawn yourself in error and need your application reinstated whilst the campaign is still live, please contact us via: resourcingteamvo@hmrc.gov.uk Use the subject line to insert appropriate wording for example Please re-open my application **[insert vacancy ref]** & vacancy closing date **[insert date]** .

To check that you are eligible to apply for this role, please review the eligibility information before submitting your application.

Application Hints and Tips

For more information on Success Profiles, tips on how to write a successful application and find out more about what is involved in the application process please visit About the application process , [Civil Service Careers \(civil-service-careers.gov.uk\)](https://civil-service-careers.gov.uk).

Hybrid working at HMRC

HMRC is an office-based organisation, and colleagues are expected to spend 60% of their working time in the office. Our offices provide opportunity for interaction, collaboration which aids learning and development and a sense of community. Where the role allows it, and where the home environment is suitable, colleagues can work from home for up to 2 days a week, averaged over a calendar month (or a proportionate amount of time for colleagues who work less than full time).

Reasonable Adjustments

We want to make sure no one is put at a disadvantage during our recruitment process. To assist you with this, we will reduce or remove any barriers where possible and provide additional support where appropriate.

If you need a change to be made so that you can make your application, you should:

Contact the UBS Recruitment Team via resourcingteamvo@hmrc.gov.uk as soon as possible before the closing date to discuss your needs.

Complete the Assistance required section in the Additional requirements page of your application form to tell us what changes or help you might need further on in the recruitment process. For instance, you may need wheelchair access at interview, or if you're deaf, a Language Service Professional.

Criminal Record Check

Applications received from candidates with a criminal record are considered fairly in accordance with the DBS Code of Practice and the Recruitment of ex-offenders Policy.

Locations

As part of the application process, you will be asked to tell us which of the locations available you can work in. You will be able to specify up to 1 option. Please be aware that you can be posted to any location that you put in your preferences.

Successful candidates must select one of the locations noted in this advert as their base office and will be expected to undertake regular travel to this location under HMRC hybrid working policy.

Due to the way the CS Jobs system is set up, when choosing your preferred locations, you will find that the Canary Wharf location will not appear on the list of options. Should you wish to choose Canary Wharf as a location then please select Tower Hamlets.

Transitional Sites Information

If your location preference is for the following site, it's important to note that this is not long-term site for HMRC and we will require you to move to a new building in the future, subject to our location strategy and the applicable employee policies at that time.

This site is:

Benton Park View, Newcastle - moving to Pilgrims Quarter, Newcastle

You will be given more information about what this means at the job offer stage.

Terms & Conditions

The Civil Service values honesty and integrity and expects all candidates to abide by these principles. The evidence you provide in your application must relate to your own experiences.

Any instances of plagiarism or other forms of cheating will be investigated and, if proven, the relevant application(s) will be withdrawn from the process.

Recording of interviews is prohibited unless explicit agreement is sought in line with the UK General Data Protection Regulations.

Questions relating to an individual application must be emailed as detailed later in this advert.

Applicants who are successful at interview will be, as part of pre-employment screening, subject to a check on the Internal Fraud Database (IFD). This check will provide information about employees who have been dismissed for fraud or dishonesty offences. This check also applies to employees who resign or otherwise leave before being dismissed for fraud or dishonesty had their employment continued. Any applicant's details held on the IFD will be refused employment.

A candidate is not eligible to apply for a role within the Civil Service if the application is made within a 5 year period following a dismissal for carrying out internal fraud against government.

Please note that, if you are applying for roles on a part-time basis, the salary agreed will be pro-rata, reflective of the working hours agreed within your contract.

If you experience accessibility problems with any attachments on this advert, please contact the email address in the 'Contact point for applicants' section.

Reserve Lists

If we have more successful candidates than available vacancies, we will hold a 6-month reserve list. During that time, we may use the list to fill the same, or similar roles with closely matching essential criteria, without further testing of merit. Any appointments from the Reserve list will be made in strict merit order.

Concerns/Complaints

If you feel your application has not been treated in accordance with the values in the Civil Service Code and/or if you feel the recruitment has been conducted in such a way that conflicts with the Civil Service Commissioner's Recruitment Principles, you may make a complaint, by contacting the Central Recruitment Team at the following address: resourcingteamvo@hmrc.gov.uk

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.

Nationality requirements

This job is broadly open to the following groups:

- UK nationals

- nationals of the Republic of Ireland

nationals of Commonwealth countries who have the right to work in the UK
nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and
family members of those nationalities with settled or pre-settled status
under the [European Union Settlement Scheme \(EUSS\) \(opens in a new window\)](#)

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and
family members of those nationalities who have made a valid application
for settled or pre-settled status under the European Union Settlement
Scheme (EUSS)

individuals with limited leave to remain or indefinite leave to remain who
were eligible to apply for EUSS on or before 31 December 2020

Turkish nationals, and certain family members of Turkish nationals, who
have accrued the right to work in the Civil Service

[Further information on nationality requirements \(opens in a new window\)](#)

Working for the Civil Service

The [Civil Service Code \(opens in a new window\)](#) sets out the standards of
behaviour expected of civil servants.

We recruit by merit on the basis of fair and open competition, as outlined in
the Civil Service Commission's [recruitment principles \(opens in a new window\)](#).

The Civil Service embraces diversity and promotes equal opportunities. As
such, we run a Disability Confident Scheme (DCS) for candidates with
disabilities who meet the minimum selection criteria.

The Civil Service also offers a Redeployment Interview Scheme to civil
servants who are at risk of redundancy, and who meet the minimum
requirements for the advertised vacancy.

Diversity and Inclusion

The Civil Service is committed to attract, retain and invest in talent wherever
it is found. To learn more please see the [Civil Service People Plan \(opens in a new window\)](#) and the [Civil Service Diversity and Inclusion Strategy \(opens in a new window\)](#).

Apply and further information

This vacancy is part of the [Great Place to Work for Veterans \(opens in a new window\)](#) initiative.

The Civil Service welcomes applications from people who have recently left prison or have an unspent conviction. [Read more about prison leaver recruitment \(opens in new window\)](#).

Once this job has closed, the job advert will no longer be available. You may want to save a copy for your records.

Further information

Appointment to the Civil Service is governed by the Civil Service Commission's Recruitment Principles. You have the right to complain if you feel there has been a breach of the Recruitment Principles.

In the first instance, you should raise the matter directly via resourcingteamvo@hmrc.gov.uk.

Please note that we do not accept complaints or appeals regarding scoring of outcomes of campaigns, unless candidates can provide clear evidence that the campaign did not follow the Recruitment Principles. If you are not satisfied with the response, you may bring your complaint to the Commission. For further information on bringing a complaint to the Civil Service Commission please visit their website.
