About the job

Job summary

The Government Digital Service (GDS) is the digital centre of government. We are responsible for setting, leading and delivering the vision for a modern digital government.

Our priorities are to drive a modern digital government, by:

1. joining up public sector services
2. harnessing the power of AI for the public good
3. strengthening and extending our digital and data public infrastructure
4. elevating leadership and investing in talent
5. funding for outcomes and procuring for growth and innovation
6. committing to transparency and driving accountability

We are home to the Incubator for Artificial Intelligence (I.AI), the world-leading GOV.UK and at the forefront of coordinating the UK's geospatial strategy and activity. We lead the Government Digital and Data function and champion the work of digital teams across government.

We're part of the Department for Science, Innovation and Technology (DSIT) and employ more than 1,000 people all over the UK, with hubs in Manchester, London and Bristol.

The Government Digital Service is where talent translates into impact. From your first day, you'll be working with some of the world's most highly-skilled digital professionals, all contributing their knowledge to make change on a national scale.

Join us for rewarding work that makes a difference across the UK. You'll solve some of the nation's highest-priority digital challenges, helping millions of people access services they need

Job description

As an accessibility specialist at GDS you'll work in multidisciplinary teams, alongside researchers, designers and developers, to deliver world-class, user centred public services.

You'll help the government transform the way it delivers services, so that they're more efficient, simpler, faster and easier to use. You'll focus on our solutions (including native iOS and Android apps) to help users prove their identity and use digital credentials at scale.

As a Senior Accessibility Specialist you'll:

- work with the Accessibility lead and Head of UCD to evolve our accessibility strategy and practice that goes beyond basic WCAG compliance

- be able to demonstrate a passion for inclusive and accessible design
- identify and implement ways to champion and embed accessibility in regular practice for all GOV.UK One Login colleagues

- share accessibility knowledge within GOV.UK One Login and across GDS, providing accessibility consultancy, increasing capability and raising awareness

- write guidance and documentation and advise on applying WCAG requirements and accessibility best practice to our service

- contribute to policy, governance and assurance processes

- assess products for accessibility best practices and conformance with accessibility standards and regulations

- provide proactive consultancy with product teams, helping them meet accessibility standards and best practices

- review implementations using a range of techniques including design reviews, automated testing and manual code inspection

- recommend solutions for code, design and content to be as accessible as possible

Person specification

We're interested in people who have:

demonstrable experience of evaluating the accessibility of iOS and Android apps or websites, providing feedback, advice and solutions to help fix identified barriers

expert knowledge of existing and emerging accessibility guidelines and standards, particularly the Web Content Accessibility Guidelines (WCAG) version 2.2 and proven ability to identify barriers that impact users that technically "pass" a WCAG accessibility audit

knowledge and experience of testing with a range of assistive technologies including iOS and Android native accessibility features, screen magnification, screen readers, speech recognition and literacy software

proven experience of collaborating with agile multidisciplinary delivery teams to identify and fix accessibility barriers and raising accessibility capability by guiding others and offering recommendations on the best tools and methods to use

experience of iterating, improving and challenging accessibility strategy, governance and assurance processes, and leading initiatives to raise accessibility maturity or remove risks associated with not meeting accessibility standards

Benefits

There are many benefits of working at GDS, including:

flexible hybrid working with flexi-time and the option to work part-time or condensed hours

a Civil Service Pension with an average employer contribution of 28.97%

25 days of annual leave, increasing by a day each year up to a maximum of 30 days

an extra day off for the King's birthday

an in-year bonus scheme to recognise high performance

career progression and coaching, including a training budget for personal development

a focus on wellbeing with access to an employee assistance programme
job satisfaction from making government services easier to use and more inclusive for people across the UK
advances on pay, including for travel season tickets
death in service benefits
cycle to work scheme and facilities
access to an employee discounts scheme
10 learning days per year
volunteering opportunities (5 special leave days per year)
access to a suite of learning activities through Civil Service learning

Any move to Government Digital Service from another employer will mean you can no longer access childcare vouchers. This includes moves between government departments. You may however be eligible for other government schemes, including Tax Free Childcare. Determine your eligibility at <https://www.childcarechoices.gov.uk>

Office attendance

The Department operates a discretionary hybrid working policy, which provides for a combination of working hours from your place of work and from your home in the UK. The current expectation for staff is to attend the office or non-home based location for 40-60% of the time over the accounting period.

DSIT does not normally offer full home working (i.e. working at home); but we do offer a variety of flexible working options (including occasionally working from home).

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated

by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

Selection process details

The standard selection process for roles at GDS consists of:

a simple application screening process - We only ask for a CV and cover letter of up to 750 words. Important tip - please ensure that your cover letter includes how you meet the skills and experience listed in the person specification section above

a 80 minute video interview with a short task. Details around the task will be given to shortlisted candidates 5 working days prior to the interview. You will have 10 minutes at the start of the interview to present the task.

Depending on how many applications we get, there might also be an extra stage before the video interview, for example a phone interview or a technical exercise.

In order to assist candidates with this role, we will be holding a virtual recruitment event on Wednesday 20th May 2026 at 12:30pm - 1:30pm to go through the role in more detail. To attend the virtual recruitment event please use the link below and use the following details to join:

Join: <https://teams.microsoft.com/meet/381841477604953?p=LIXibmCynH0YBqLGYr>

Meeting ID: 381 841 477 604 953

Passcode: u4eE67uz

In the event we receive a high volume of applications, we will conduct the initial sift against the lead criteria which is:

demonstrable experience of evaluating the accessibility of iOS and Android apps or websites, providing feedback, advice and solutions to help fix identified barriers

In the Civil Service, we use [Success Profiles](#) to evaluate your skills and ability. This gives us the best possible chance of finding the right person for the job, increases performance and improves diversity and inclusivity. We'll be assessing your technical abilities, skills, experience and behaviours that are relevant to this role.

For this role we'll be assessing you against the following [Civil Service Behaviours](#):

- seeing the big picture
- communicating and influencing
- making effective decisions
- working together
- delivering at pace

We'll also be assessing your experience and specialist technical skills against the following skills defined in the Government Digital and Data Capability Framework for the [Senior Accessibility Specialist](#) role:

- Communicating information
- Consultancy
- Governance and assurance (accessibility)
- Leadership and guidance
- Technical understanding
- Testing
- User focus

Recruitment Timeline

Sift completion: week commencing Monday 1st June 2026

Panel interviews: starting week commencing Monday 15th June 2026

Candidates that do not pass the interview but have demonstrated an acceptable standard may be considered for similar roles at a lower grade.

A reserve list will be held for a period of 12 months, from which further appointments can be made.

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan](#) and [the Civil Service D&I Strategy](#).

Please note that this role requires SC clearance, which would normally need 5 years UK residency in the past 5 years. This is not an absolute requirement, but supplementary checks may be needed where individuals have not lived in the UK for that period. This may mean your security clearance (and therefore your appointment) will take longer or, in some cases, not be possible.

For meaningful checks to be carried out, you will need to have lived in the UK for a sufficient period of time, to enable appropriate checks to be carried out and produce a result which provides the required level of assurance. Whilst a lack of UK residency in itself is not necessarily a bar to a security clearance, and expectation of UK residency may range from 3 to 5 years. Failure to meet the residency requirements needed for the role may result in the withdrawal of provisional jobs offers.

Sponsorship

DSIT cannot offer Visa sponsorship to candidates through this campaign. DSIT holds a Visa sponsorship licence but this can only be used for certain roles and this campaign does not qualify.

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is [security check \(opens in a new window\)](#).

[See our vetting charter \(opens in a new window\).](#)

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.

Nationality requirements

This job is broadly open to the following groups:

UK nationals

nationals of the Republic of Ireland

nationals of Commonwealth countries who have the right to work in the UK

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities with settled or pre-settled status under the [European Union Settlement Scheme \(EUSS\) \(opens in a new window\)](#)

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities who have made a valid application for settled or pre-settled status under the European Union Settlement Scheme (EUSS)

individuals with limited leave to remain or indefinite leave to remain who were eligible to apply for EUSS on or before 31 December 2020

Turkish nationals, and certain family members of Turkish nationals, who have accrued the right to work in the Civil Service

[Further information on nationality requirements \(opens in a new window\)](#)

Working for the Civil Service

The [Civil Service Code \(opens in a new window\)](#) sets out the standards of behaviour expected of civil servants.

We recruit by merit on the basis of fair and open competition, as outlined in the Civil Service Commission's [recruitment principles \(opens in a new window\)](#).

The Civil Service embraces diversity and promotes equal opportunities. As such, we run a Disability Confident Scheme (DCS) for candidates with disabilities who meet the minimum selection criteria.

Diversity and Inclusion

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan \(opens in a new window\)](#) and the [Civil Service Diversity and Inclusion Strategy \(opens in a new window\)](#).

Apply and further information

This vacancy is part of the [Great Place to Work for Veterans \(opens in a new window\)](#) initiative.

The Civil Service welcomes applications from people who have recently left prison or have an unspent conviction. [Read more about prison leaver recruitment \(opens in new window\)](#).

Once this job has closed, the job advert will no longer be available. You may want to save a copy for your records.
