About the job

Job summary

This position is based Nationally

Job description

HM Courts and Tribunals Service

Directorate: Digital Technology Services (DTS)

Pay Band: SEO

Job Title: 2 x Software Developer

Location: London / National

Travel between sites may be required and successful applicants will be expected to be office based 3 days per week in any HMCTS Office (subject to business availability). The frequency may change in the future.

Term: Permanent

Interview: Video conference via Teams

Level of Clearance: To apply for this role, you will be required to successfully complete Security Clearance (SC) level as a condition of appointment. <https://www.gov.uk/government/publications/united-kingdom-security-vetting-clearance-levels/sc-guidance-pack-for-applicants>

Important salary details:

New recruits to the Civil Service joining MoJ are expected to join at the band minimum.

Existing Civil Servants applying on promotion, will usually be appointed on the salary minimum of the new pay band, or receive an increase of 10 percent on the current base salary, whichever is higher (This is restricted to the pay maximum of the new band).

GDD:

Roles will be recruited using a combination of the [Government Digital and Data](#) (GDD) and [Success Profile](#) Frameworks. Using GDD we will then determine if you will be paid an additional allowance, on top of your basic salary. This role is aligned to the Technical Job Family, is a Software

Developer role at Developer level, but carries the title Software Developer within DTS.

Introduction:

These are exciting times at HM Court and Tribunals Service (HMCTS). As an agency of the MoJ, we support the judiciary across England and Wales to deliver justice by running courts and tribunals and processing outcomes, and we are looking for talented people to help us achieve our ambitions. It will be challenging, important and rewarding.

HMCTS Digital and Technology Services (DTS) is a specialist technology directorate which provides support to HMCTS in the use of IT and Digital. DTS is creating a place in which it is great to do work and part of our offer is brilliant training opportunities and support from expert colleagues. As well as that you'll find flexible working, an inclusive culture and a place where your opinion is valued.

Please follow this link for further information about HMCTS: www.gov.uk/government/organisations/hm-courts-and-tribunals-service

Job Description:

As a Software Developer at HMCTS you will work with a wide range of stakeholders such as user researchers, product managers, designers, business analysts, delivery managers and digital architects, all of whom share a vision for making better government through smarter use of technology. You will innovate to radically transform public services for the better.

The development squad you are placed on will be agreed closer to your start date, but examples of products can be found in our GitHub repository:

<https://github.com/hmcts>

You can find more information about our ways of working in the HMCTS Way: <https://hmcts.github.io>

Technologies we rely heavily on:

Java to write our backend services

Node.js to write our frontend services

Power Platform for low-code development

Jenkins for CI/CD

Dynatrace for application monitoring

Kubernetes and **Docker** to run our services

Azure for most of our infrastructure

Terraform for infrastructure as code

Postgres and **Redis** as our databases.

GOV.UK Design System for our web interfaces

Macs to do all the above

In addition, we use a range of other technologies and continue to evolve by employing new technologies that help us deliver better services to our users

As a Developer in HMCTS you will:

Develop, improve and document code, following best practices and internal standards.

Continuously learn and stay up to date with relevant technologies, identifying potential issues.

Ensure product security, data confidentiality, and integrity, raising risks as needed.

Support and maintain software, including limited out-of-hours work when required.

Plan development, coordinate integration, and contribute to process improvement.

Manage service availability effectively and cost-efficiently.

Build and test system interfaces.

Use test-driven development, write automation scripts, and participate in code reviews.

Mentor junior colleagues and share technical expertise.

Design and develop software based on user stories.

Participate in recruitment and procurement.

Person Specification

We're seeking a full stack developer with the ability to develop and deploy high-quality code. The ideal candidate will have:

Experience in building scalable enterprise applications using a modern object-oriented programming language and a willingness to learn our tech stack (Java Spring Boot)

Experience with modern JavaScript frameworks (e.g., Angular, React, or Vue).

A solid grasp of RESTful API design and relational database architecture (e.g., PostgreSQL).

Proficiency in cloud-native architecture including infrastructure as code (e.g., Microsoft Azure, Terraform)

Knowledge of the full development lifecycle, including CI/CD, authentication (OAuth2/OIDC), and system monitoring.

Experience utilising DevOps practices and containerisation tools (Docker/Kubernetes).

A security-first mindset, with the ability to identify and mitigate vulnerabilities (OWASP top 10) during the design phase.

Person specification

Please refer to Job Description

Behaviours

We'll assess you against these behaviours during the selection process:

Delivering at Pace

Developing Self and Others

Technical skills

We'll assess you against these technical skills during the selection process:

Capability Skills 1: Programming and build

Capability Skills 2: Systems integration

Capability Skills 3: Service support
Capability Skills 4: Information security
Capability Skills 5: Systems design
Coding Challenge

Benefits

Alongside your salary of £42,914, HM Courts and Tribunals Service contributes £12,432 towards you being a member of the Civil Service Defined Benefit Pension scheme. [Find out what benefits a Civil Service Pension provides.](#)

Access to learning and development

A working environment that supports a range of flexible working options to enhance your work life balance

A working culture which encourages inclusion and diversity

A Civil Service pension with an employer contribution of 28.97%

Annual Leave

Public Holidays

Season Ticket Advance

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated

by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

Selection process details

This vacancy is using [Success Profiles \(opens in a new window\)](#), and will assess your Behaviours, Experience and Technical skills.

<https://justicejobs.tal.net/vx/candidate/cms/About%20the%20MOJ>

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is [security check \(opens in a new window\)](#).

[See our vetting charter \(opens in a new window\)](#).

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.

Nationality requirements

This job is broadly open to the following groups:

UK nationals

nationals of the Republic of Ireland

nationals of Commonwealth countries who have the right to work in the UK

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities with settled or pre-settled status under the [European Union Settlement Scheme \(EUSS\) \(opens in a new window\)](#)

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities who have made a valid application

for settled or pre-settled status under the European Union Settlement Scheme (EUSS)

individuals with limited leave to remain or indefinite leave to remain who were eligible to apply for EUSS on or before 31 December 2020

Turkish nationals, and certain family members of Turkish nationals, who have accrued the right to work in the Civil Service

[Further information on nationality requirements \(opens in a new window\)](#)

Working for the Civil Service

The [Civil Service Code \(opens in a new window\)](#) sets out the standards of behaviour expected of civil servants.

We recruit by merit on the basis of fair and open competition, as outlined in the Civil Service Commission's [recruitment principles \(opens in a new window\)](#).

The Civil Service embraces diversity and promotes equal opportunities. As such, we run a Disability Confident Scheme (DCS) for candidates with disabilities who meet the minimum selection criteria.

Diversity and Inclusion

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan \(opens in a new window\)](#) and the [Civil Service Diversity and Inclusion Strategy \(opens in a new window\)](#).

Apply and further information

This vacancy is part of the [Great Place to Work for Veterans \(opens in a new window\)](#) initiative.

The Civil Service welcomes applications from people who have recently left prison or have an unspent conviction. [Read more about prison leaver recruitment \(opens in new window\)](#).
