# About the job

## Job summary

Please note this role requires you to pass [Security Check](#) clearance. For further information, please see 'Selection process details'.

**Are you excited about the opportunity to protect critical citizen-facing services from cyber threats at scale?**

**Are you an engaging leader with deep expertise in ServiceNow development and either security or IT Service Manage principles?**

We are looking to expand our team with a range of ServiceNow consultants with expertise in either - including security (Security Incident Response, Vulnerability Response, Threat Intelligence Security Centre, and Integrated Risk Management) or IT Operations (IT incident Response, IT operations, CSDM and CMDB)

As a ServiceNow Senior Technical Lead (developer), you will be responsible for leading the design, development, and delivery of secure, high-performing ServiceNow applications and integrations that underpin DWP's Adaptive Cybersecurity Ecosystem and Intelligent Service Performance Ecosystem. You will combine advanced ServiceNow development skills with a strong understanding of security controls, automation, and risk management or IT operations to deliver enterprise-grade solutions that are robust, resilient, and compliant.

You will work closely with our Architecture, Security, and Engineering communities to shape the platform roadmap, develop technical patterns, and ensure all solutions are built with secure-by-design principles. With a focus on operational stability, performance, and security, you will lead technical decision-making and ensure best practice is embedded across the development lifecycle.

This role is ideal for a ServiceNow expert with proven experience across Security Operations and Risk applications, who can guide teams in delivering solutions that strengthen DWP's cyber resilience and risk posture.

Offers of employment: Following the interview stage, should you not reach the required standard for the advertised G7 role, we may be able to offer you a role which would be a grade below the advertised post under our Near Miss process. Any candidates falling into this category will be contacted once the interview results have been released.

## **Job description**

As a ServiceNow Senior Technical Lead (developer) your responsibilities will include:

Provide expert ServiceNow and either cybersecurity or IT operations domain knowledge to project teams, advising on complex platform implementations, integrations, and design challenges.

Build and maintain strong relationships with internal and external stakeholders, aligning on priorities and agreeing on approaches to ServiceNow development, tooling, and strategy improvements.

Advise on issues arising from ServiceNow work programmes or from the implementation of new security or risk management capabilities, making balanced and pragmatic recommendations.

Manage performance and progress against the ServiceNow technical roadmap within your area of responsibility, ensuring alignment to platform architecture and security principles.

Advise senior DWP stakeholders on the development and evolution of the ServiceNow platform strategy, including the feasibility of enhancements, estimated timescales, and delivery options.

Collaborate with production, security, and infrastructure teams to ensure ServiceNow solutions are secure, resilient, performant, and available at scale.

## **Person specification**

See selection process for further details.

If you would like to learn more about the role, please contact [aisha.gultasab@dwp.gov.uk](mailto:aisha.gultasab@dwp.gov.uk)

## Technical skills

We'll assess you against these technical skills during the selection process:

Technical Breadth

## Benefits

Alongside your salary of £75,026, Department for Work and Pensions contributes £21,735 towards you being a member of the Civil Service Defined Benefit Pension scheme. [Find out what benefits a Civil Service Pension provides.](#)

We also have a broad benefits package built around your work-life balance which includes:

Working patterns to support work/life balance such as job sharing, term-time working, flexi-time and compressed hours.

Generous annual leave at least 25 days on entry, increasing up to 30 days over time (pro rata for part time employees), plus 9 days public and privilege leave.

Support for financial wellbeing, including interest-free season ticket loans for travel, a cycle to work scheme and an employee discount scheme.

Health and wellbeing support including our Employee Assistance Programme for specialist advice and counselling and the opportunity to join HASSRA a first-class programme of competitions, activities and benefits for its members (subscription payable monthly).

Family friendly policies including enhanced maternity and shared parental leave pay after 1 year's continuous service.

Funded learning and development to support progress in your role and career. This includes industry recognised qualifications and accreditations, coaching, mentoring and talent development programmes.

An inclusive and diverse environment with opportunities to join professional and interpersonal networks including Women's Network, National Race Network, National Disability Network (THRIVE) and many more.

## **Hybrid Working**

This role may be suitable for hybrid working, which is where an employee works part of the week in their DWP office and part of the week from home. This is a voluntary, non-contractual arrangement and your office will be your contractual place of work.

If a hybrid working arrangement is suitable for the role and for you, you will normally be required to spend a minimum of 60% of your contracted working hours from your DWP office.

If you have a disability, caring responsibilities, or other circumstances that may affect your ability to meet the minimum office attendance requirement, please discuss this with us using the contact details in this advert.

## **Salary Information**

Pay for this role is from £75,026 to £92,522.

The maximum salary for the grade is £80,267, however a Digital Allowance of up to £12,255 per annum is available for exceptional candidates. Digital Allowance is non-salary, and non-pensionable, and is classed as a temporary allowance. It is reviewed annually where it could be retained, amended, or removed.

Our offer to successful candidates will be based on an assessment of your skills and experience as demonstrated at interview.

Existing Civil Servants who secure a new role on lateral transfer will maintain their current substantive salary.

Existing Civil Servants who gain promotion will move to the bottom of the grade pay scale or receive a 10% increase applied to their current substantive salary, whichever is greater.

Any temporary allowances that you are currently in receipt of will not form part of the calculation to determine your pay. Any allowances that are in payment will cease when you move into your new role.

# Things you need to know

## Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

## Selection process details

This vacancy is using [Success Profiles \(opens in a new window\)](#), and will assess your Experience and Technical skills.

## Stage 1: Application

Your application will consist of four parts:

1. A Personal Details application form.
2. Employment history - this should contain your work experience and any skills, qualifications and accomplishments relevant to the jobs you have completed.
3. Personal statement - up to 750 words. This statement should be used to provide examples of how you meet the essential criteria below:
