About the job

Job summary

The Cabinet Office is modernising the platform used by over 10,000 civil servants each day, replacing Google Workspace with Microsoft 365 and provisioning access via a resilient zero-trust network. If you are a self-motivated Technical Architect who can help this project, we would like to hear from you.

The Cabinet Office is at the centre of government. Its purpose is: to maintain the integrity of the Union, co-ordinate the security of the realm and sustain a flourishing democracy; to support the design and implementation of HM Government's policies and the Prime Minister's priorities; and to ensure the delivery of the finest public services by attracting and developing the best public servants and improving the efficiency of government.

Falcon is being run by Cabinet Office Digital, in collaboration with the DESNZ Integrated Corporate Services (ICS) team.

The work pattern is Hybrid with a mixture of home working and collaboration sessions based in London and Bristol.

Job description

What you ll do

write and own high level and detailed designs and specifications for the platform

create/maintain core architecture artefacts including data/identity flows, and security controls

produce option appraisals with clear trade-offs (cost, risk, resilience, performance, operability)

drive and own governance and compliance to standards set by the Cabinet Office

collaborate with ICS on delivery, champion our requirements, review the output and test the solutions

champion best practice and quality delivery

balance trade-offs of cost, quality and risk, with a particular focus on Cyber security and incremental delivery

excite and energise the team, bringing people together and fostering collaboration

be an early adopter and evaluator of the platform

engage in cyber risk reduction through Cyber Threat Modelling and collaborating with the Cyber Defence team

provide support and knowledge to assurance teams focused on Information Assurance, Data Protection and AI Policy

define technical standards and guardrails for the zero-trust/SASE platform, ensuring alignment with enterprise architecture, information security policies, and legal compliance (e.g. UK GDPR/Data Protection Act)

Person specification

Who you are

a hands on Technical Architect with an eye for the big picture, who can drill into detail as required

a collaborative person who is excited about working within a team as part of a wider network of teams

Requirements

passionate and knowledgeable about Cloud Architecture

familiar with zero-trust network concepts and identity centric designs

significant experience as a Technical/Cloud/Enterprise Architect or equivalent, delivering large-scale cloud-first end-user compute and identity solutions

experience of developing designs for Microsoft Cloud Architecture (M365, Azure, Power Platform and EntraID)

experienced with mobile device management solutions for Laptops (Windows & IOS) and mobile devices (Android & IOS)

experience of engaging with business analysts and tailoring product offering to their needs

familiar with Google Workspace (AKA Google Suite)

strong analytical skills, able to drill to detail when problem solving

strong strategic thinking and ability to analyse and interpret data

It s desirable that you have:

worked with Okta identity management and SSO

worked with Zscaler Zero-Trust Exchange platform

familiarity of the public sector and government processes,

Additional information:

Cabinet Office policy is that a minimum 60% of your working time should be spent at your principal workplace. For some roles, due to their nature and the business need, this may be up to 100%. Requirements to attend other locations for official business will also count towards this level of attendance.

Reasonable adjustments

If a person with disabilities is put at a substantial disadvantage compared to a non-disabled person, we have a duty to make reasonable changes to our processes.

If you need a change to be made so that you can make your application, you should:

Contact Government Recruitment Service
via cabinetofficerecruitment.grs@cabinetoffice.gov.uk as soon as possible
before the closing date to discuss your needs.

Complete the Assistance required section in the Additional requirements page of your application form to tell us what changes or help you might need further on in the recruitment process. For instance, you may need wheelchair access at interview, or if you're deaf, a Language Service Professional.

Further information

If you are experiencing accessibility problems with any attachments on this advert, please contact the email address in the 'contact point for applicants' section.

Please note that this role requires SC clearance, which would normally need 5 years UK residency in the past 5 years. This is not an absolute requirement, but supplementary checks may be needed where individuals have not lived in the UK for that period. This may mean your security clearance (and therefore your appointment) will take longer or, in some cases, not be possible.

For further information on National Security Vetting please [visit the Demystifying Vetting website](#).

Any move to Cabinet Office from another employer will mean you can no longer access childcare vouchers. This includes moves between government departments. You may however be eligible for other government schemes, including Tax Free Childcare; for further information [visit the Childcare Choices website](#).

A reserve list will be held for a period of 12 months, from which further appointments can be made.

If successful and transferring from another Government Department a criminal record check may be carried out.

In order to process applications without delay, we will be sending a Criminal Record Check to Disclosure and Barring Service/Disclosure Scotland on your behalf.

However, we recognise in exceptional circumstances some candidates will want to send their completed forms direct. If you will be doing this, please advise Government Recruitment Service of your intention by emailing Pre-EmploymentChecks.grs@cabinetoffice.gov.uk stating the job reference number in the subject heading.

For further information on the Disclosure Scotland confidential checking service telephone: the Disclosure Scotland Helpline on 0870 609 6006 and

ask to speak to the operations manager in confidence, or email Info@disclosurescotland.co.uk

New entrants are expected to join on the minimum of the pay band.

Applicants who are successful at interview will be, as part of pre-employment screening, subject to a check on the Internal Fraud Database (IFD). This check will provide information about employees who have been dismissed for fraud or dishonesty offences. This check also applies to employees who resign or otherwise leave before being dismissed for fraud or dishonesty had their employment continued. Any applicant's details held on the IFD will be refused employment.

A candidate is not eligible to apply for a role within the Civil Service if the application is made within a 5 year period following a dismissal for carrying out internal fraud against government.

Existing Civil Servants and applicants from accredited NDPBs are eligible to apply, but will only be considered on loan basis (Civil Servants) or secondment (accredited NDPBs). Prior agreement to be released on a loan basis must be obtained before commencing the application process. In the case of Civil Servants, the terms of the loan will be agreed between the home and host department and the Civil Servant. This includes grade on return.

This role is full time only. Applicants who wish to work an alternative pattern are welcome to apply however your preferred working pattern may not be available and you should discuss this with the vacancy holder before applying.

Please note terms and conditions are attached. Please take time to read the document to determine how these may affect you.

Feedback

Feedback will only be provided if you attend an interview or assessment.
