Apply and further information

Location

This role may be located in one of the following locations; Birmingham, Blackpool, Leeds, Manchester, Newcastle and Sheffield.

Please find further information on the [Corporate hub locations here](#).

Please note that for candidates requesting to work in Newcastle, the role will initially be based at Benton Park View. It will then move to 1 Pilgrim Place in Newcastle city centre by the end of 2027.

About the job

Job summary

Please note this role requires you to pass [Security Check](#) clearance. For further information, please see 'Selection process details'.

Are you ready to shape the future of digital services that impact millions of lives?

Want to work on meaningful technology that drives real-world change?

Join DWP Digital as a Grade 7 Software Engineer in one of our Debt Solutions Teams, where your expertise will help transform how the UK's largest government department delivers services. We're building modern, scalable systems that support critical internal functions; from HR and finance to security and compliance, ensuring our colleagues have the tools they need to serve the public effectively.

You'll work in a collaborative, agile environment alongside talented engineers, architects, and product teams. We value clean code, automation, and continuous improvement. Whether you come from a commercial tech background or have public sector experience, you'll find opportunities to innovate, lead, and grow.

Debt Solutions are delivering strategic, greenfield programmes to build modern, cloud-first Debt Management and Compensation Recovery systems to recover approximately £3 billion per annum while protecting the most vulnerable in our society. Our full-stack digital products include user-interfaces, APIs and integration platforms, using Azure Cloud, Java, Spring Boot, Kubernetes, Azure Service Bus, Postgres, MongoDB and node.js (user-interfaces).

Make an impact. Build something that matters.

Job description

As a Senior Software Engineer you will be a skilled Practitioner and a role model in software craftsmanship. Responsible for ensuring best practices are adhered to across the department and guiding teams on how to deliver quality software products. You will assist in the design of software products that make up citizen services in collaboration with Architecture and Engineering principles. With a focus on operational stability, robustness, resilience, availability and quality you will be accountable for the code you and your teams produce.

As a Senior Software Engineer, your key responsibilities will include:

- Application modernisation - rewriting applications and code following engineering standards and best practices.

- Ensuring service continuity through effective incident and problem management.

- Contributing to the migration and integration of systems into Azure cloud platforms.

- Supporting and enhancing applications that support our corporate colleagues and citizens.

Please note: As part of the role, you may be required to travel regularly to the other digital hubs. The frequency of this will be discussed further should you be successful.

Person specification

See selection process for further details.

If you would like to learn more about the role, please contact
Mark.Harbottle@dwp.gov.uk.

Technical skills

We'll assess you against these technical skills during the selection process:

Technical Breadth

Benefits

Alongside your salary of £57,946, Department for Work and Pensions contributes £16,786 towards you being a member of the Civil Service Defined Benefit Pension scheme. [Find out what benefits a Civil Service Pension provides.](#)

We also have a broad benefits package built around your work-life balance which includes:

Working patterns to support work/life balance such as job sharing, term-time working, flexi-time and compressed hours.

Generous annual leave at least 25 days on entry, increasing up to 30 days over time (pro rata for part time employees), plus 9 days public and privilege leave.

Support for financial wellbeing, including interest-free season ticket loans for travel, a cycle to work scheme and an employee discount scheme.

Health and wellbeing support including our Employee Assistance Programme for specialist advice and counselling and the opportunity to join HASSRA a first-class programme of competitions, activities and benefits for its members (subscription payable monthly).

Family friendly policies including enhanced maternity and shared parental leave pay after 1 year's continuous service.

Funded learning and development to support progress in your role and career. This includes industry recognised qualifications and accreditations, coaching, mentoring and talent development programmes.

An inclusive and diverse environment with opportunities to join professional and interpersonal networks including Women's Network, National Race Network, National Disability Network (THRIVE) and many more.

Hybrid Working

This role may be suitable for hybrid working, which is where an employee works part of the week in their DWP office and part of the week from home. This is a voluntary, non-contractual arrangement and your office will be your contractual place of work.

If a hybrid working arrangement is suitable for the role and for you, you will normally be required to spend a minimum of 60% of your contracted working hours from your DWP office.

If you have a disability, caring responsibilities, or other circumstances that may affect your ability to meet the minimum office attendance requirement, please discuss this with us using the contact details in this advert.

Salary Information

Pay for this role is from £57,946 to £80,664.

The maximum salary for the grade is £68,205, however a Digital Allowance of up to £12,459 per annum is available for exceptional candidates. Digital Allowance is non-salary, and non-pensionable, and is classed as a temporary allowance. It is reviewed annually where it could be retained, amended, or removed.

Our offer to successful candidates will be based on an assessment of your skills and experience as demonstrated at interview.

Existing Civil Servants who secure a new role on lateral transfer will maintain their current substantive salary.

Existing Civil Servants who gain promotion will move to the bottom of the grade pay scale or receive a 10% increase applied to their current substantive salary, whichever is greater.

Any temporary allowances that you are currently in receipt of will not form part of the calculation to determine your pay. Any allowances that are in payment will cease when you move into your new role.

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

Selection process details

This vacancy is using [Success Profiles \(opens in a new window\)](#), and will assess your Experience and Technical skills.

Stage 1: Application

Your application will consist of four parts:

1. A Personal Details application form.
2. Employment history - this should contain your work experience and any skills, qualifications and accomplishments relevant to the jobs you have completed.

3. Personal statement - up to 1000 words. This statement should be used to provide examples of how you meet the essential criteria below:

Proven ability to lead software engineering teams, providing technical direction and mentoring junior engineers. You'll be expected to foster a culture of continuous improvement and knowledge sharing across teams.

Demonstrated experience working in agile, multi-disciplinary teams to deliver user-centred digital services. Ability to collaborate effectively with Product Managers, Delivery Managers and other specialists.

Experience with cloud platforms (AWS, Azure, GCP), containerisation (Docker, Kubernetes). Familiarity with CI/CD pipelines and automated testing.

Strong hands-on experience and knowledge of designing, building and deploying APIs, RESTful services or message broker services in a microservice architecture with persistent data using either SQL or NoSQL databases.

Experience of secure coding practices, test-driven-development (TDD) coding practices, service resilience, and operational support. Ability to ensure systems meet quality, security, accessibility and performance standards.

4. Technical statement (up to 250 words). The following statement is aligned to the required technical skill of: Technical Breadth. This statement should be used to provide example(s) of how you meet the criterion below:

Strong hands-on experience in designing, building, and maintaining secure, scalable software using Java in a cloud environment (e.g. Azure/AWS).

Further details around what this will entail are listed on the application form.

Ensure that all examples provided in your statements are taken directly from your own experience and that you describe the examples in your own words. If you choose to use gen-AI to support your statements, you must follow the guidelines outlined in the **Artificial intelligence and recruitment guide**.

The sift panel will use the information in your employment history, personal statement, and technical statement to assess your experience, skills and knowledge.

An initial sift will be conducted using the technical statement. Candidates who pass the initial sift will be progressed to a full sift.

If you do progress to a full sift, you will be provided with one combined overall assessment score for both your employment history and Personal Statement.

For Hints and Tips on completing your application visit [Applying for jobs at DWP Digital](#).

Important Information

You will be asked to complete your employment history. Any information that you would customarily share on a CV should therefore be entered onto the application form.

Personal details that could be used to identify you including your name, contact details and address must be removed for your application to be considered.

If your employment history, personal statement or technical statement contain any personal details your application will be withdrawn.

Stage 2: Coding Test

Candidates who are successful at the sift stage will be sent a coding test to complete remotely. The exercise will focus on the technical elements listed in the Essential Criteria in this advert.

Full details will be sent to candidates when the exercise is issued. Candidates will have 7 days to complete the test from the date of receipt. Candidates that are not successful in the technical exercise will not progress to the interview stage.

Please add Digital.EngineeringRecruitment@dwp.gov.uk to your safe senders list or monitor your spam folder to ensure safe receipt of the code test via email.

The code test must be completed by the candidate using their skillset without using any AI or generative tools.

Stage 3: Interview

If you're successful at the sift stage, you'll be invited to a video interview via Microsoft Teams. During the interview, you'll be assessed against the experience criteria listed under both the essential criteria and technical skill.

Interviews will take place from mid July 2026. Interview dates to be confirmed.

Further Information

Find out more about [Working for DWP](#)

If high application volumes are received, the benchmark for candidates to proceed to the next stage may be raised. In line with our commitment to the Disability Confident Scheme (DCS), we aim to advance all candidates applying under the DCS who meet the minimum standard. However, we may only progress those candidates who best meet the required standards.

A reserve list may be held for a period of 6 months from which further appointments can be made.

All successful candidates and those placed on reserve will be posted in merit list order by location.

For these vacancies, we strongly recommend that applicants consult with an immigration specialist or qualified advisor to assess their eligibility for Visa Sponsorship before deciding to apply. Please note that while we consider sponsorship requests in accordance with current DWP guidance and Home Office policy, sponsorship cannot be guaranteed.

The Civil Service values honesty and integrity and expects all candidates to abide by these principles. Please ensure that all examples provided in your

application are taken directly from your own experience and that you describe the examples in your own words. Applications will be screened and if evidence of plagiarism or copying examples/answers from other sources is found, your application will be withdrawn. Internal DWP candidates may also face disciplinary action.

Security Clearance Requirement

You must meet the security requirements before you can be appointed. The level of security needed is security check.

You must have resided continuously in the UK for at least 3 of the last 5 years, 2 of which must have been the immediately preceding years from the point of applying for this job.

For further information on National Security Vetting please [visit the Demystifying Vetting website](#).

Reasonable Adjustment

At DWP we value diversity and inclusion and actively encourage and welcome applications from everyone, including those that are underrepresented in our workforce.

We consider visible and non-visible disabilities, neurodiversity or learning differences, chronic medical conditions, or mental ill health. Examples include dyslexia, epilepsy, autism, chronic fatigue, or schizophrenia.

If you need a change to be made so that you can make your application, you should: Contact Government Recruitment Service via DigitalRecruitment.grs@cabinetoffice.gov.uk as soon as possible before the closing date to discuss your needs.

Complete the Reasonable Adjustments section in the Additional requirements page of your application form to tell us what changes or help you might need further on in the recruitment process. For instance, you may need wheelchair access at interview, or if you're deaf, a Language Service Professional.

For further information on reasonable adjustments, terms and conditions and how we recruit visit the [How we recruit page](#).

Feedback

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is [security check \(opens in a new window\)](#).

[See our vetting charter \(opens in a new window\)](#).

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.

Nationality requirements

This job is broadly open to the following groups:

- UK nationals

- nationals of the Republic of Ireland

- nationals of Commonwealth countries who have the right to work in the UK

- nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities with settled or pre-settled status under the [European Union Settlement Scheme \(EUSS\) \(opens in a new window\)](#)

- nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities who have made a valid application for settled or pre-settled status under the European Union Settlement Scheme (EUSS)

- individuals with limited leave to remain or indefinite leave to remain who were eligible to apply for EUSS on or before 31 December 2020

Turkish nationals, and certain family members of Turkish nationals, who have accrued the right to work in the Civil Service

[Further information on nationality requirements \(opens in a new window\)](#)

Working for the Civil Service

The [Civil Service Code \(opens in a new window\)](#) sets out the standards of behaviour expected of civil servants.

We recruit by merit on the basis of fair and open competition, as outlined in the Civil Service Commission's [recruitment principles \(opens in a new window\)](#).

The Civil Service embraces diversity and promotes equal opportunities. As such, we run a Disability Confident Scheme (DCS) for candidates with disabilities who meet the minimum selection criteria.

The Civil Service also offers a Redeployment Interview Scheme to civil servants who are at risk of redundancy, and who meet the minimum requirements for the advertised vacancy.

Diversity and Inclusion

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan \(opens in a new window\)](#) and the [Civil Service Diversity and Inclusion Strategy \(opens in a new window\)](#).

Apply and further information

This vacancy is part of the [Great Place to Work for Veterans \(opens in a new window\)](#) initiative.

The Civil Service welcomes applications from people who have recently left prison or have an unspent conviction. [Read more about prison leaver recruitment \(opens in new window\)](#).

Once this job has closed, the job advert will no longer be available. You may want to save a copy for your records.
