***We offer a hybrid working model, allowing for a balance between remote work and time spent in your local office. Office locations can be found [ON THIS MAP](#)**

Please note that unless you are an existing member of staff at Justice Digital, Data and Science, the only London location being recruited to is 10 South Colonnade, E14 4PU. We are no longer recruiting to 102 Petty France, SW1H 9AJ.

The Role

We're recruiting for a **Stakeholder Engagement Lead** here at [Justice Digital, Data and Science](#), within the Digital Compliance team.

Digital Compliance brings together specialist teams that help Justice Digital, Data and Science deliver secure, accessible, resilient and well-governed digital services. The effectiveness of these services depends on strong relationships with the people who use, deliver and are accountable for them, and on stakeholders understanding when to engage, why the work matters and how specialist teams can support successful delivery.

As Stakeholder Engagement Lead, you will establish, lead and continually develop the stakeholder engagement capability for Digital Compliance. You will set the strategic direction, operating model and priorities for stakeholder engagement across multiple specialist and technical functions, helping teams build trusted relationships, improve service adoption and support changes in organisational behaviour and practice.

You will lead three SEO Stakeholder Engagement Managers embedded across Digital Compliance teams. You will provide professional leadership, coaching and prioritisation, ensuring their work responds to the needs of individual specialist teams while contributing to a consistent, high-quality approach across Digital Compliance.

You will also provide strategic advice to senior leaders, using stakeholder insight to identify risks and opportunities, strengthen relationships and help Digital Compliance teams engage effectively with the people who use, deliver and are accountable for their services.

Inclusive and accessible working is a core expectation of the role. Digital Compliance has established accessible ways of working, and you will be expected to model, protect and strengthen these standards across stakeholder engagement, meetings, events, content, leadership activity and everyday team practice.

You'll receive a range of excellent benefits when you join our department, including:

A generous employer pension contribution of 28.97% through the [Civil Service Pension Scheme](#).

25 days of annual leave, (increasing to 30 days once you have reached 5 years of service), plus 8 bank holidays and a privilege day for the King's birthday.

Flexible working arrangements including hybrid working, working part time or compressed hours. Designed to support a positive work life balance.

Employees are allocated **10% of their working time for personal and professional development.**

A £1k per person learning budget is in place to support all our people, with access to best-in-class conferences and seminars, accreditation with professional bodies, fully funded vocational programmes and e-learning platforms.

Compassionate maternity, adoption, and shared parental leave policies, with up to 26 weeks leave at full pay, 13 weeks with partial pay, and 13 weeks further leave. And maternity support/paternity leave at full pay for 2 weeks, too!

You can find more details of the Benefits we offer [here](#). To help picture your life at MoJ Justice Digital, Data and Science please take a look at our [blog](#).

Key Responsibilities

Set strategic direction for stakeholder engagement

Develop and lead the Digital Compliance Stakeholder Engagement Strategy, translating organisational priorities into a clear approach for building relationships, improving understanding and supporting adoption of specialist services.

Set priorities and consistent standards for stakeholder engagement across Digital Compliance, while ensuring approaches remain relevant to the needs of individual specialist teams.

Identify cross-cutting stakeholder risks, opportunities and emerging themes, using insight to shape priorities and advise Digital Compliance leadership.

Lead the Stakeholder Engagement function

Provide line management and professional leadership to three SEO Stakeholder Engagement Managers embedded across Digital Compliance teams.

Prioritise engagement resource according to strategic need, stakeholder impact and organisational priorities.

Coach and develop the team, building capability, sharing good practice and quality assuring high-impact engagement activity.

Build trusted relationships and influence change

Develop and maintain trusted relationships with senior leaders, Heads of Profession, service owners and other key stakeholders across Justice Digital, Data and Science.

Advise Digital Compliance leads on stakeholder relationships, engagement risks and opportunities to improve understanding, collaboration and service adoption.

Lead engagement on complex or cross-cutting issues where senior influence, relationship building or coordinated action is required.

Build capability and improve engagement

Help specialist teams better understand and engage the people who use, deliver or are affected by their services.

Develop practical frameworks, guidance, communities and learning opportunities that strengthen stakeholder engagement capability across Digital Compliance.

Use stakeholder insight, feedback and evidence to evaluate impact, identify barriers and continually improve engagement approaches.

Lead inclusive and accessible ways of working

Set and model a high standard for inclusive and accessible stakeholder engagement, ensuring accessibility is considered from the outset.

Embed inclusive practice across meetings, workshops, events, content and engagement activity, enabling people with different access, communication and information-processing needs to participate effectively.

Constructively challenge inaccessible or exclusionary practice and work with Accessibility specialists where additional expertise or assurance is required.

If this feels like an exciting challenge, something you are enthusiastic about, and you want to join our team, please read on and apply!

Person Specification

Essential

Proven experience of developing and leading stakeholder engagement across complex specialist, technical or service-facing areas, with evidence of improving relationships, understanding, collaboration or service adoption.

Experience of establishing, developing or improving a stakeholder engagement capability across multiple teams, creating clear approaches, standards and priorities.

Strong stakeholder management and influencing skills, with experience building trusted relationships with senior leaders, navigating competing priorities and providing constructive challenge.

Experience using stakeholder insight and two-way engagement to influence behaviour, support organisational change or improve how people engage with services.

Experience leading and developing people, communities or professional networks, building capability and enabling others to deliver effectively.

A strong track record of inclusive and accessible working, alongside excellent communication, facilitation and presentation skills. You will be able to demonstrate how you have removed barriers to participation, considered different communication and information-processing needs, and influenced others to maintain high standards.

Selection process details

How to Apply

In Justice Digital, Data and Science, we recruit using the [Success Profiles Frameworks](#). We shall assess a combination of your Experience, Technical skills and Behaviours during the assessment process.

Stage 1 - Application and sift:

To apply for this position, you must submit the following as part of your application:

A **CV** detailing your career history (including any relevant qualifications). Your CV will be assessed against the essential criteria outlined within the Person Specification of this advert.

A **Personal Statement** (no more than 750 words)

which should outline your experience and skills, giving clear examples of work undertaken. It should specifically address the following criteria listed below.

Please note that any content beyond the first 750 words will not be considered as part of the assessment.

- A strong track record of inclusive and accessible working, alongside excellent communication, facilitation and presentation skills. You will be able to demonstrate how you have removed barriers to participation, considered different communication and information-processing needs, and influenced others to maintain high standards.

A diverse sift panel will review the information in your CV and Personal Statement to assess the sift criteria specified above. We operate an anonymous shortlisting process. **Please ensure your CV and Personal Statement do not include your name or any other identifying details.**

Should we receive a high volume of applications, a pre-sift based on Experience of establishing, developing or improving a stakeholder engagement capability across multiple teams, creating clear approaches, standards and priorities will be conducted before the sift.

Please access the [Application Guidance](#) for information on how to apply.

Stage 2 - Interviews:

Successful candidates who meet the required standard will then be invited to a panel interview held via Microsoft Teams. At interview stage, you will be assessed against the following Success Profile elements - Experience, Technical skills and the following Behaviours:

Leadership

Communicating and Influencing

Seeing the Big Picture

As part of your interview, you will be asked to deliver a presentation that assesses your experience and technical skill, with the topic:

Building Trust in Digital Compliance: Enabling Delivery While Maintaining Control

Further details will be provided if successful at sift.

Appointments are made strictly in merit order. In the event that two or more candidates receive identical interview scores, **Seeing the bigger picture** will be applied as the primary lead criterion to determine the final merit order.

Should you be unsuccessful in the role that you have applied for but demonstrate the capability for a role at a lower level, we reserve the right to discuss this opportunity with you and offer you the position without needing a further application.

A reserve list may be held for up to 12 months, from which further appointments may be made.

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a standard (or equivalent) criminal record check.

People working with government assets must complete baseline personnel security standard (opens in new window) checks.
