About the job

Job summary

The Application Developer role will be responsible for developing value adding applications to enhance the vital role the Finance, Performance, Risk and

Assurance (FPRA) Director plays across the organisation. In this role, you will partner with senior FPRA and business leaders to create applications that will connect with and improve existing business processes.

As the Application Developer, you will be responsible for the development, implementation, evaluation and maintenance of FPRA-specific applications that

may leverage approved automation and AI-enabled capabilities where appropriate, in line with UKHSA data governance, security, and ethical use frameworks across the directorate. Additionally, you will monitor emerging technologies and industry trends to ensure that development keeps pace with technology advancements.

You will provide guidance and training to business teams, ensuring adoption and proficient use of new finance technologies. You will also role model a culture of innovation, collaboration and continuous learning. The role will provide senior technical expertise and hands-on delivery for FPRA-specific applications, acting as a key interface between product professionals and digital teams. The post holder will ensure that solutions are scalable, secure, and aligned with UKHSA digital and data standards while delivering measurable business value.

Working for your organisation

We pride ourselves as being an employer of choice, where Everyone Matters promoting equality of opportunity to actively encourage applications from everyone, including groups currently underrepresented in our workforce.

UKHSA ethos is to be an inclusive organisation for all our staff and stakeholders. To create, nurture and sustain an inclusive culture, where differences drive innovative solutions to meet the needs of our workforce and wider communities. We do this through celebrating and protecting

differences by removing barriers and promoting equity and equality of opportunity for all.

Job description

Develop Low-Code Applications

Technical Leadership

Integration with Existing Systems

Collaboration with FPRA Team (and wider teams across the Chief Operating Officer Group)

Automation and Optimisation

Support Digital Transformation Initiatives

Monitoring and Maintenance

Data Validity and Integrity

Develop Low-Code Applications: Utilise low-code platforms to design, build, and deploy applications that streamline FPRA processes and improve functionalities within current systems.

Technical Leadership: Provide technical leadership for FPRA low-code solutions, promoting good engineering practices, reuse of components, and consistent design approaches.

Integration with Existing Systems: Ensure seamless integration of new applications with existing systems to enhance data flow and operational efficiency.

Collaboration with FPRA Team: Work closely with FPRA professionals (and wider teams across the Chief Operating Officer Group) and senior stakeholders to identify pain points, define requirements, and translate business needs into effective technical solutions.

Automation and Optimisation: Implement automation solutions using low-code tools to reduce the manual workload of finance staff, enabling them to focus on higher-value tasks such as analysis and strategic planning.

Support Digital Transformation Initiatives: Contribute to the broader digital strategy by identifying opportunities for technology solutions that align with FPRA transformation goals.

Monitoring and Maintenance: Continuously monitor application performance and user feedback to refine and enhance tools, ensuring they meet evolving business requirements.

Data Validity and Integrity: Ensure that all applications maintain the integrity and accuracy of financial data through rigorous testing and validation processes.

Please note this list is not exhaustive.

Person specification

Essential Criteria

Demonstrated experience in using low-code or no-code development environments.

Ability to analyse business needs and translate them into functional application requirements.

Excellent interpersonal skills to effectively work with cross-functional teams and communicate technical concepts to non-technical stakeholders.

Experience providing technical leadership or guidance within a development team or business-facing digital role.

Desirable role criteria:

Familiarity with Microsoft Power Apps

Experience of Oracle Cloud and Oracle Fusion platforms

Strong knowledge of financial processes and systems (e.g., ERP systems) to ensure effective integration and usability of applications.

Benefits

Alongside your salary of £56,185, UK Health Security Agency contributes £16,276 towards you being a member of the Civil Service Defined Benefit Pension scheme. [Find out what benefits a Civil Service Pension provides \(opens in a new window\)](#).

Learning and development tailored to your role

An environment with flexible working options

A culture encouraging inclusion and diversity

A [Civil Service pension](#) with an employer contribution of 28.97%

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

Selection process details

Selection Process Details (Success Profiles)

This vacancy is using Success Profiles and will assess your Behaviours, Experience and Technical skills.

Stage 1: Application & Sift

Success profiles [Success Profiles - GOV.UK](#)

You will be required to complete an application form. You will be assessed on the listed 4 essential criteria, and this will be in the form of a:

Application form (Employer/ Activity history section on the application)
1000 word supporting statement.

This should outline how you consider your skills, experience and knowledge provide evidence of your suitability for the role, with reference to the essential criteria.

You will receive a joint score for your application form and statement. (The application form is the kind of information you would put into your C.V please be advised you will not be able to upload your CV. Please complete the application form in as much detail as possible). Please do not email us your CV.

Healthjobs UK has a word limit of 1500, but your supporting statement must be no more than 1000 words. We will not consider any words over 1000 words.

Longlisting:

In the event of a large number of applications we will longlist into 3 piles of:

1. Meets all essential criteria
2. Meets some essential criteria
3. Meets no essential criteria

If used, the piles Meets all essential criteria and Meets some essential criteria will proceed to shortlisting.

Shortlisting:

In the event of a large number of applications we may conduct an initial sift, on the lead criteria of:

Demonstrated experience in using low-code or no-code development environments.

Ability to analyse business needs and translate them into functional application requirements

Desirable criteria may be used in the event of a large number of applications/ large amount of successful candidates.

If you are successful at this stage, you will progress to interview & assessment.

Feedback will not be provided at this stage.

Stage 2: Interview

Success profiles [Success Profiles - GOV.UK](#)

You will be invited to a single face to face interview at 10 South Colonnade, Canary Wharf, London, E14 4PU

Face to face interviews are planned, in exceptional circumstances, we may be able to offer a remote interview.

Behaviours and Technical skills will be tested at interview.

There will be a 10 minute Presentation based on the following:

Provide an example of where you have designed an application in response to business need.

How did you identify requirements?

How did you translate these requirements into application features?

The Behaviours tested during the interview stage will be:

Changing and Improving (Lead behaviour)

Delivering at Pace

Working Together

Making Effective Decisions

Managing a Quality Service

Interviews dates are to be confirmed.

Once this job has closed, the job advert will no longer be available. You may want to save a copy for your records.

Qualifications and Registrations

For roles where specific qualifications or registrations are required, successful applicants will be asked to provide appropriate evidence. Employment cannot commence until satisfactory documentation has been received and verified.

Location

This role is being offered as hybrid working based at any of our Core HQs. We offer great flexible working opportunities at UKHSA and operate using a hybrid working model where business needs allow. This provides us with greater flexibility about how and where we work, to get the best from our workforce. As a hybrid worker, you will be expected to spend a minimum of 60% of your contractual working hours (approximately 3 days a week pro rata, (averaged over a month) working at one of UKHSA's core HQs (Birmingham, Leeds, Liverpool, and London).

Our core HQ offices are modern and newly refurbished with excellent city centre transport links and benefit from co-location with other government departments such as the Department for Health and Social Care (DHSC).

Security Clearance Level Requirement

Successful candidates must pass a basic disclosure and barring security check before they can be appointed.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is Security Clearance.

For meaningful National Security Vetting checks to be carried out individuals need to have lived in the UK for a sufficient period of time. You should normally have been resident in the United Kingdom for the last 5 years as the role requires Security Check (SC) clearance. UK residency less than the outlined periods may not necessarily bar you from gaining national security

vetting and applicants should contact the Vacancy Holder/Recruiting Manager listed in the advert for further advice.

Eligibility Criteria

Open to all external applicants (anyone) from outside the Civil Service (including internal applicants).

Future location

UKHSA is investing in a new state-of-the-art National Biosecurity Centre in Harlow, Essex, which will eventually bring together teams currently based at Canary Wharf, Colindale and Porton Down. For more details, please see: [Huge biosecurity centre investment to boost pandemic protection - GOV.UK](#)

The new facilities will start becoming operational in the mid-2030s, with full completion by 2038. Staff will move in phases as facilities become available. If you're appointed to a role currently based at Canary Wharf, Colindale or Porton Down, please note that we'll continue investing in these sites for the next decade. As we get closer to the transition, we'll provide full information about relocation support available to staff.

Reasonable Adjustments

The Civil Service is committed to making sure that our selection methods are fair to everyone. To help you during the recruitment process, we will consider any reasonable adjustments that could help you. An adjustment is a change to the recruitment process or an adjustment at work. This is separate to the Disability Confident Scheme. If you need an adjustment to be made at any point during the recruitment process you should contact the recruitment team in confidence as soon as possible to discuss your needs. You can find out more information about reasonable adjustments across the Civil Service here: [Reasonable Adjustments , Civil Service Careers](#)

International Police check

If you have spent more than 6 months abroad over the last 3 years you may need an International Police Check. This would not necessarily have to be in a single block, and it could be time accrued over that period.

Internal Fraud Check

This does not need to be included on EOI adverts. If successful for this role as one aspect of pre-employment screening, applicant's personal details name, national insurance number and date of birth - will be checked against the Cabinet Office Internal Fraud Hub, and anyone included on the database will be refused employment unless they can show exceptional circumstances. Currently this is only for external candidates to the Civil Service.

Careers website

Please visit our careers site for more information [UKHSA Hub , Civil Service Careers](#)

Salary Information

If you are successful at interview, and are moving from another government department, NHS, or Local Authority, the relevant starting salary principles for level transfers or promotions will apply. Otherwise, roles are offered at the pay scale minimum for the grade, but in exceptional circumstances there may be flexibility if you are able to demonstrate you are already in receipt of an existing, higher salary. Pay increases are through the relevant annual pay award for the role and terms.

Grade 7

£56,185- £66,581 (National)

£58,340- £68,574 (Outer London)

£60,494- £70,566 (Inner London)

Please note: The Chief Operating Officer (COO) group, where this role sits, is undergoing organisational change over the next 12-18 months. While the process is still in the planning stage, some roles may be affected by future restructuring. We are committed to keeping candidates informed and will share updates as they become available.

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is [security check \(opens in a new window\)](#).

[See our vetting charter \(opens in a new window\)](#).

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.

Nationality requirements

This job is broadly open to the following groups:

UK nationals

nationals of the Republic of Ireland

nationals of Commonwealth countries who have the right to work in the UK

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities with settled or pre-settled status under the [European Union Settlement Scheme \(EUSS\) \(opens in a new window\)](#)

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities who have made a valid application for settled or pre-settled status under the European Union Settlement Scheme (EUSS)

individuals with limited leave to remain or indefinite leave to remain who were eligible to apply for EUSS on or before 31 December 2020

Turkish nationals, and certain family members of Turkish nationals, who have accrued the right to work in the Civil Service

[Further information on nationality requirements \(opens in a new window\)](#)

Working for the Civil Service

The [Civil Service Code \(opens in a new window\)](#) sets out the standards of behaviour expected of civil servants.

We recruit by merit on the basis of fair and open competition, as outlined in the Civil Service Commission's [recruitment principles \(opens in a new window\)](#).

The Civil Service embraces diversity and promotes equal opportunities. As such, we run a Disability Confident Scheme (DCS) for candidates with disabilities who meet the minimum selection criteria.

Diversity and Inclusion

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan \(opens in a new window\)](#) and the [Civil Service Diversity and Inclusion Strategy \(opens in a new window\)](#).

Apply and further information

The Civil Service welcomes applications from people who have recently left prison or have an unspent conviction. [Read more about prison leaver recruitment \(opens in new window\)](#).

Once this job has closed, the job advert will no longer be available. You may want to save a copy for your records.
