About the job

Job summary

SLC offer a blended working model which will typically be 2 days in the office and 3 days from home.

Is it time you unlocked your potential?

Student Loans Company is a non-profit making Government-owned organisation to provide loans and grants to students in universities and colleges in the UK. Since 1989, we have enabled our customers to invest in their futures by delivering secure, accurate and efficient assessment, payment and repayment services.

Our Values

Culture is at the heart of everything we do at SLC and we are guided by our five values which help make SLC a great place to work:

Honesty: We act with integrity and transparency, sharing information openly and addressing challenges with courage.

Empowerment: We enable people to take initiative, make impactful decisions, and continuously learn and grow.

Accountability: We deliver on commitments, own our successes and mistakes, and strive for quality outcomes.

Respect: We value diverse perspectives, actively listen, and create an inclusive environment where everyone belongs.

Trust: We collaborate across teams, build dependable relationships, and work as one to deliver for our customers.

These values are more than words they guide our decisions, shape our collaborations, and strengthen our impact on the students we serve.

Job description

About the Role

SLC has an opportunity for a Developer in our Data Engineering Centre of Excellence Team, where you'll play a key role in designing, maintaining and continuously improving the data platforms and applications that underpin critical student finance services across the UK. By developing and supporting the systems that provide analytics and business intelligence capabilities, the Developer will help ensure colleagues have access to trusted data when making decisions that affect students' journeys. Reliable data platforms enable SLC to respond effectively to customer needs, improve operational performance and deliver a more seamless customer experience.

The Data Engineering Team work on outcome-based projects involving analytics, reporting and our content management system (CSM). Handling high volumes of data across four data warehouses, the team operate in an ever-changing landscape and are changing the way things are being done within SLC.

Person specification

What you Bring:

Excellent communication skills and the ability to work as part of a team and with other teams

The ability to quickly learn modern tools and embrace modern techniques

Ability to solve complex technical challenges

Good analytical and critical thinking skills

Degree in Computer Science or related discipline

Experience using Oracle SQL

Previous Data Warehouse knowledge

Understand Agile methodologies and experience in working in an Agile environment

Benefits

Alongside your salary of £45,172, Student Loans Company contributes £13,086 towards you being a member of the Civil Service Defined Benefit Pension scheme. [Find out what benefits a Civil Service Pension provides \(opens in a new window\)](#).

You can expect more from a career with SLC. We support colleagues to unlock their potential through our Career Pathways development programme and offer an excellent benefit and rewards package that includes:

28 days annual leave plus 8 public holidays

Option to buy/sell annual leave

Flexi-time and enhanced flexible working options available

Option to join the Civil Service pension scheme

Life insurance cover for 4 x annual salary

Enhanced company sick pay and family leave including maternity, paternity and adoption

Contributory lifestyle benefit options including discounts at hundreds of retailers, cycle to work scheme, access to the Civil Service Sports and Leisure Club for discounted gym memberships, and an optional dental insurance scheme

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

Selection process details

The Legal Bits

We'll need you to confirm you have the right to work in the UK. If we offer you a job and you accept, there are some background checks we need to complete before you can start with us. This will include employment history, criminal record check, credit reference check and fraud check.

EDI

As a proud **Disability Confident Leader**, we're committed to creating an inclusive recruitment experience that empowers people of all abilities. Our team actively promotes accessible hiring practices, supports candidates with disabilities throughout their employment journey to help build a diverse equitable workplace at SLC.

SLC will make reasonable adjustments for those who consider themselves to have a disability or long-term condition in line with the Equality Act 2010. Our application process provides candidates with the opportunity to request reasonable adjustments but if you would like to discuss this in more detail, please email ask_recruitment@slc.co.uk.

Use of AI in Job Applications

Artificial Intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see [Candidate Guidance](#) for more information on appropriate and inappropriate use.

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a basic (or equivalent) criminal record check.

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.

Nationality requirements

This job is broadly open to the following groups:

- UK nationals

- nationals of the Republic of Ireland

- nationals of Commonwealth countries who have the right to work in the UK

- nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities with settled or pre-settled status under the [European Union Settlement Scheme \(EUSS\) \(opens in a new window\)](#)

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities who have made a valid application for settled or pre-settled status under the European Union Settlement Scheme (EUSS)

individuals with limited leave to remain or indefinite leave to remain who were eligible to apply for EUSS on or before 31 December 2020

Turkish nationals, and certain family members of Turkish nationals, who have accrued the right to work in the Civil Service

[Further information on nationality requirements \(opens in a new window\)](#)

Working for the Civil Service

Please note this Post is NOT regulated by the Civil Service Commission.

The Civil Service embraces diversity and promotes equal opportunities. As such, we run a Disability Confident Scheme (DCS) for candidates with disabilities who meet the minimum selection criteria.

Diversity and Inclusion

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan \(opens in a new window\)](#) and the [Civil Service Diversity and Inclusion Strategy \(opens in a new window\)](#).
