***We offer a hybrid working model, allowing for a balance between remote work and time spent in your local office. Office locations can be found [ON THIS MAP](#)**

Please note that unless you are an existing member of staff at Justice Digital, Data and Science, the only London location being recruited to is 10 South Colonnade, E14 4PU. We are no longer recruiting to 102 Petty France, SW1H 9AJ.

The Role

We're recruiting for a **Strategy Implementation Lead** here at [Justice Digital, Data and Science](#) to be part of our warm and collaborative Strategic Priorities Unit.

The Strategic Priorities Unit plays a central role in supporting the effective running of [Justice Digital, Data and Science \(JDDS\)](#), working closely with senior leaders to ensure strategic priorities are translated into delivery. The

Unit operates at the centre of the organisation, providing coordination, insight and targeted intervention to support delivery across JDDS.

This role operates across the full JDDS system, overseeing and actively shaping the implementation of the multi-year strategy. You will ensure that strategic commitments are progressing, risks and dependencies are understood, and delivery remains aligned to organisational priorities.

You will not directly deliver programmes or services. Instead, you will work across directorates and with senior stakeholders to provide system-level insight, support prioritisation and trade-offs, and intervene where delivery requires additional focus or coordination.

This is a high-profile and varied role, requiring the ability to operate across a wide range of subject areas, work at pace, and engage confidently with senior stakeholders. You will need strong judgement, the ability to manage competing priorities, and a proactive approach to identifying and addressing delivery challenges.

You will receive a range of excellent benefits when you join our department, including:

A generous employer pension contribution of 28.97% through the Civil Service Pension Scheme.

25 days of annual leave, (increasing to 30 days once you have reached 5 years of service), plus 8 bank holidays and a privilege day for the King's birthday.

Flexible working arrangements including hybrid working, working part time or compressed hours. Designed to support a positive work life balance.

Employees are allocated **10% of their working time for personal and professional development.**

A £1k per person learning budget is in place to support all our people, with access to best-in-class conferences and seminars, accreditation with professional bodies, fully funded vocational programmes and e-learning platforms.

Compassionate maternity, adoption, and shared parental leave policies, with up to 26 weeks leave at full pay, 13 weeks with partial pay, and 13

weeks further leave. And maternity support/paternity leave at full pay for 2 weeks, too!

You can find more details of the Benefits we offer [here](#). To help picture your life at MoJ Justice Digital, Data and Science please take a look at our [blog](#).

Key Responsibilities:

The Strategy Implementation Lead will oversee delivery of JDDS strategic commitments and support the organisation to maintain a clear, coherent and actively managed view of progress. More specifically:

Oversee delivery of strategic commitments

- Maintain a clear, integrated view of delivery across the JDDS strategic commitments

- Ensure visibility of progress, risks, issues and dependencies across directorates

- Support alignment between commitments and wider JDDS and STG priorities

- Identify where delivery is at risk and take steps to address or escalate issues

Work closely with the Delivery and Governance Office (DGO)

- Collaborate with DGO to ensure alignment between strategic commitments and wider portfolio processes

- Contribute to the development of a coherent, shared view of JDDS delivery

- Interpret delivery insight and ensure it informs prioritisation and decision-making

Provide delivery insight and drive improvement

Analyse delivery information to identify trends, risks, and emerging issues

Surface cross-cutting challenges and areas of misalignment

Work with commitment owners to strengthen delivery plans and unblock progress

Identify where targeted intervention is required and support improvements to delivery

Support prioritisation and decision-making

Provide clear, structured insight to support senior leaders in prioritisation and trade-offs

Help ensure focus is maintained on the highest priority work

Support conversations on sequencing, pausing or stopping work where appropriate

Work as part of the Strategic Priorities Unit

Identify cross-cutting themes, gaps or opportunities emerging from across JDDS

Translate these into discrete pieces of work for the Unit to take forward

Work with colleagues across the Unit to shape and deliver targeted interventions

Contribute to wider Unit priorities, including commissions, strategy and governance activity where required

Support delivery cadence and governance

Contribute to the effective running of delivery and governance forums (e.g. Digital and Data Executive Board, Quarterly Business Reviews)

Provide high-quality inputs to support discussions and decision-making

Support tracking of actions and ensure follow-through on decisions

Work with communications colleagues

Identify key delivery milestones, successes and impact across the portfolio

Work with communications and engagement teams to ensure these are captured and communicated effectively

Support a consistent and evidence-based narrative on JDDS delivery and impact

If this feels like an exciting challenge, something you are enthusiastic about, and want to join our team please read on and apply!

Person Specification

Essential

You have experience working across multiple programmes or complex delivery environments, with visibility of system-level priorities and dependencies

You have experience translating strategic priorities into clear delivery insight, identifying where intervention, reprioritisation or change is required

You have experience working with senior stakeholders, and are confident influencing, challenging and supporting them to drive progress

Willingness to be assessed against the requirements for BPSS clearance

Selection process details

In Justice Digital, Data and Science, we recruit using a combination of the **Government Digital and Data Profession Capability** and **Success Profiles** Frameworks. We shall assess a combination of your Experience and Behaviours during the assessment process.

Stage 1 - Application and sift:

To apply for this position, you must submit the following as part of your application:

A **CV** detailing your career history (including any relevant qualifications). Your CV will be assessed against the essential criteria outlined within the Person Specification of this advert.

A **Personal Statement** (no more than 750 words) which should outline your experience and skills, giving clear examples of work undertaken. It

should specifically address the following three criteria listed below, using a separate paragraph for each.

You have experience working across multiple programmes or complex delivery environments, with visibility of system-level priorities and dependencies

You have experience translating strategic priorities into clear delivery insight, identifying where intervention, reprioritisation or change is required

You have experience working with senior stakeholders, and are confident influencing, challenging and supporting them to drive progress

A diverse sift panel will review the information in your CV and Personal Statement to assess the sift criteria specified above. We operate an anonymous shortlisting process. Please ensure your CV and Personal Statement do not include your name or any other identifying details.

Should we receive a high volume of applications, a pre-sift based on your experience working across multiple programmes or complex delivery environments, with visibility of system-level priorities and dependencies will be conducted before the sift.

Please access the following link for guidance on how to apply - [Application Guidance](#)

Stage 2 - Interviews:

Successful candidates who meet the required standard will then be invited to a panel interview held via Microsoft Teams. At interview stage, you will be assessed against the following Success Profile elements:

You have experience working across multiple programmes or complex delivery environments, with visibility of system-level priorities and dependencies

You have experience translating strategic priorities into clear delivery insight, identifying where intervention, reprioritisation or change is required

You have experience working with senior stakeholders, and are confident influencing, challenging and supporting them to drive progress

Making Effective Decisions

Communicating & Influencing

Delivering at Pace

Leadership

Seeing the Bigger Picture

Appointments are made strictly in merit order. In the event that two or more candidates receive identical interview scores, the following will be applied as the primary lead criterion to determine the final merit order:

You have experience working across multiple programmes or complex delivery environments, with visibility of system-level priorities and dependencies

Should you be unsuccessful in the role that you have applied for but demonstrate the capability for a role at a lower level, we reserve the right to discuss this opportunity with you and offer you the position without needing a further application.

A reserve list may be held for up to 12 months, from which further appointments may be made.

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.
