About the job

Job summary

The Government Digital Service (GDS) is the digital centre of government. We are responsible for setting, leading and delivering the vision for a modern digital government.

Our priorities are to drive a modern digital government, by:

1. joining up public sector services
2. harnessing the power of AI for the public good
3. strengthening and extending our digital and data public infrastructure
4. elevating leadership and investing in talent
5. funding for outcomes and procuring for growth and innovation
6. committing to transparency and driving accountability

We are home to the Incubator for Artificial Intelligence (I.AI), the world-leading GOV.UK and at the forefront of coordinating the UK's geospatial strategy and activity. We lead the Government Digital and Data function and champion the work of digital teams across government.

We're part of the Department for Science, Innovation and Technology (DSIT) and employ more than 1,000 people all over the UK, with hubs in Manchester, London and Bristol.

The Government Digital Service is where talent translates into impact. From your first day, you'll be working with some of the world's most highly-skilled digital professionals, all contributing their knowledge to make change on a national scale.

Join us for rewarding work that makes a difference across the UK. You'll solve some of the nation's highest-priority digital challenges, helping millions of people access services they need

Job description

The [GOV.UK](#) One Login and Attributes programme is full of talented and passionate people who are consistently delivering high quality products for services and users. The right person will join a well motivated and dynamic multi-disciplined delivery organisation working at pace to deliver on our commitments and roadmap.

As a Senior Delivery Manager you will be working in a cross-functional team that delivers and supports software features. You will also be working with stakeholders both internal and across government to understand needs and to deliver new capability.

You will be core to making decisions that build a high performing team or teams, and you will be adept at breaking down barriers for your team. You will be highly skilled at higher level planning and also capable of getting into the details to make things happen when needed.

As a Senior Delivery Manager on [GOV.UK](#) One Login and Attributes you will:

- lead, coach, and motivate multi-disciplinary development teams, drawing on a blend of embedded and shared specialist expertise according to the needs of the work, and helping them organise and plan their work to deliver timely products and services that meet users' and business needs

- co-create and co-own plans and progress using recognised lean/agile practices, and communicate status to more senior people and users appropriately

- provide useful and accurate delivery metrics to facilitate continual improvement and reporting

- facilitate an inclusive team environment where innovation and challenge are welcomed from all colleagues. Use empathy and interpersonal skills to inspire trust and build a high performance culture

- deliver to the agreed goals, proactively tackling impediments, risks, issues and blockers. Collaborate across the programme to manage dependencies and challenges, communicating and escalating where necessary

- continually improve the effectiveness, efficiency and cohesion of teams

- work in partnership with product, technical and UCD counterparts on high profile work in ambiguous, complex and/or uncertain domains

promote good communication and collaboration across the organisation using the principles of agile at scale and actively contribute to the delivery management community. Be co-responsible for the success of our delivery management community

take responsibility for solving complex delivery challenges

develop, guide and coach your delivery manager line reports and provide mentorship to more junior members of the DM community

work with senior leaders and stakeholders in GDS to ensure all needs are understood and to influence strategic direction

manage stakeholders to ensure strategic alignment and effective communication, taking into account organisational context and different needs and priorities, dealing constructively with conflicting views

Person specification

We're interested in people with strong, demonstrable experience of:

planning and iteratively delivering complex digital products and services that serve real user, stakeholder and business needs

using lean/agile practices to lead, enable and improve high functioning, multidisciplinary delivery teams

taking accountability for complex deliveries. Proactively tackling impediments, dependencies, risks and blockers, and communicating and escalating where necessary

working effectively with team stakeholders and other teams. Managing differences of viewpoints to achieve constructive working relationships and overarching goals

Benefits

There are many benefits of working at GDS, including:

flexible hybrid working with flexi-time and the option to work part-time or condensed hours

a Civil Service Pension with an average employer contribution of 28.97%

25 days of annual leave, increasing by a day each year up to a maximum of 30 days

an extra day off for the King's birthday

an in-year bonus scheme to recognise high performance

career progression and coaching, including a training budget for personal development

a focus on wellbeing with access to an employee assistance programme

job satisfaction from making government services easier to use and more inclusive for people across the UK

advances on pay, including for travel season tickets

death in service benefits

cycle to work scheme and facilities

access to an employee discounts scheme

10 learning days per year

volunteering opportunities (5 special leave days per year)

access to a suite of learning activities through Civil Service learning

Any move to Government Digital Service from another employer will mean you can no longer access childcare vouchers. This includes moves between government departments. You may however be eligible for other government schemes, including Tax Free Childcare. Determine your eligibility at <https://www.childcarechoices.gov.uk>

Office attendance

The Department operates a discretionary hybrid working policy, which provides for a combination of working hours from your place of work and from your home in the UK. The current expectation for staff is to attend the office or non-home based location for 40-60% of the time over the accounting period.

DSIT does not normally offer full home working (i.e. working at home); but we do offer a variety of flexible working options (including occasionally working from home).

Things you need to know

Artificial intelligence

Artificial intelligence can be a useful tool to support your application, however, all examples and statements provided must be truthful, factually accurate and taken directly from your own experience. Where plagiarism has been identified (presenting the ideas and experiences of others, or generated by artificial intelligence, as your own) applications may be withdrawn and internal candidates may be subject to disciplinary action. Please see our [candidate guidance \(opens in a new window\)](#) for more information on appropriate and inappropriate use.

Selection process details

The standard selection process for roles at GDS consists of:

- a simple application screening process - We only ask for a CV and cover letter of up to 750 words. Important tip - please ensure that your cover letter includes how you meet the skills and experience listed in the person specification section above

- a 20 minute screening via Microsoft Teams

- a 90 minute video interview via Microsoft Teams, including a 40 minute timed assessment at the start of the interview.

Depending on how many applications we get, there might also be an extra stage before the video interview, for example a phone interview or a technical exercise.

In the event we receive a high volume of applications, we will conduct the initial sift against the lead criteria which is:

- planning and iteratively delivering complex digital products and services that serve real user, stakeholder and business needs

In the Civil Service, we use [Success Profiles](#) to evaluate your skills and ability. This gives us the best possible chance of finding the right person for the job, increases performance and improves diversity and inclusivity. We'll be

assessing your technical abilities, skills, experience and behaviours that are relevant to this role.

For this role we ll be assessing you against the following [Civil Service Behaviours](#):

- working together
- making effective decisions
- leadership
- communicating and influencing
- delivering at pace

We ll also be assessing your experience and specialist technical skills against the following skills defined in the Government Digital and Data Capability Framework for the [Senior Delivery Manager](#) role:

- team dynamics and collaboration
- planning
- making a process work
- maintaining delivery momentum
- agile and lean practices
- communicating between the technical and non technical

Recruitment Timeline

Sift completion: week commencing Monday 17th August 2026

Phone Screens: starting week commencing Monday 31st August 2026

Panel interviews: starting week commencing Monday 14th September 2026

Candidates that do not pass the interview but have demonstrated an acceptable standard may be considered for similar roles at a lower grade.

A reserve list will be held for a period of 12 months, from which further appointments can be made.

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan](#) and [the Civil Service D&I Strategy](#).

Please note that this role requires SC clearance, which would normally need 5 years UK residency in the past 5 years. This is not an absolute requirement, but supplementary checks may be needed where individuals have not lived in the UK for that period. This may mean your security clearance (and therefore your appointment) will take longer or, in some cases, not be possible.

For meaningful checks to be carried out, you will need to have lived in the UK for a sufficient period of time, to enable appropriate checks to be carried out and produce a result which provides the required level of assurance. Whilst a lack of UK residency in itself is not necessarily a bar to a security clearance, and expectation of UK residency may range from 3 to 5 years. Failure to meet the residency requirements needed for the role may result in the withdrawal of provisional jobs offers.

Sponsorship

DSIT cannot offer Visa sponsorship to candidates through this campaign. DSIT holds a Visa sponsorship licence but this can only be used for certain roles and this campaign does not qualify.

Location

Whilst this role's location is Bristol and Manchester, if you are a current Civil servant working in DSIT and based in London, you are also able to apply for this role. If you are successful, you will retain your London location and pay.

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is [security check \(opens in a new window\)](#).

[See our vetting charter \(opens in a new window\)](#).

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.

Nationality requirements

This job is broadly open to the following groups:

UK nationals

nationals of the Republic of Ireland

nationals of Commonwealth countries who have the right to work in the UK

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities with settled or pre-settled status under the [European Union Settlement Scheme \(EUSS\) \(opens in a new window\)](#)

nationals of the EU, Switzerland, Norway, Iceland or Liechtenstein and family members of those nationalities who have made a valid application for settled or pre-settled status under the European Union Settlement Scheme (EUSS)

individuals with limited leave to remain or indefinite leave to remain who were eligible to apply for EUSS on or before 31 December 2020

Turkish nationals, and certain family members of Turkish nationals, who have accrued the right to work in the Civil Service

[Further information on nationality requirements \(opens in a new window\)](#)

Working for the Civil Service

The [Civil Service Code \(opens in a new window\)](#) sets out the standards of behaviour expected of civil servants.

We recruit by merit on the basis of fair and open competition, as outlined in the Civil Service Commission's [recruitment principles \(opens in a new window\)](#).

The Civil Service embraces diversity and promotes equal opportunities. As such, we run a Disability Confident Scheme (DCS) for candidates with disabilities who meet the minimum selection criteria.

The Civil Service also offers a Redeployment Interview Scheme to civil servants who are at risk of redundancy, and who meet the minimum requirements for the advertised vacancy.

Diversity and Inclusion

The Civil Service is committed to attract, retain and invest in talent wherever it is found. To learn more please see the [Civil Service People Plan \(opens in a new window\)](#) and the [Civil Service Diversity and Inclusion Strategy \(opens in a new window\)](#).

Apply and further information

This vacancy is part of the [Great Place to Work for Veterans \(opens in a new window\)](#) initiative.

The Civil Service welcomes applications from people who have recently left prison or have an unspent conviction. [Read more about prison leaver recruitment \(opens in new window\)](#).
