The Role will provide great opportunities for an experienced software developer to work in the Engineering team within CDIO Border & Trade Delivery Group with also the opportunity to grow their career by receiving comprehensive professional training in relevant and/or emerging technologies.

About CDIO, Borders & Trade (CDIO B&T) Delivery Group

CDIO Borders and Trade supports the HMRC Borders and Trade group delivering IT projects that enable HMRC's wider customs strategy and policies. We design, manage and maintain the IT services that support customs and international trade activities.

Our team is made up of specialists in delivery, business analysis, engineering, and live service support. We work closely with stakeholders across HMRC to ensure our IT systems meet their needs.

Job description

As a Java Developer you will be a key member of Development Guild within CDIO B&T Engineering team where part of your main task will be developing, designing and providing maintenance support of software products that meet our clients need by closely working in collaboration with other delivery groups and stakeholders throughout IT service development and delivery life cycles.

Person specification

Your responsibilities will include:

- Proposing, designing and building complex program solutions from supplied requirement specifications.

- Defining the software modules that comprise an integration build.

- Producing a build definition for generation of the software.

Collaborating with other stakeholders in reviewing supplied requirement specifications.

Managing competing priorities and documenting deliverables in accordance with agreed standards.

Designing, implementing and operating controls and management strategies to maintain the security, confidentiality and integrity of information systems.

Reporting task outcomes to stakeholders in a clear and concise manner.

Support and maintenance of live services developed on legacy and/or modern technologies.

Planning, designing and conducting tests of programs to deliver error-free systems.

Coaching, mentoring and/or line management of junior colleagues.

The post holder will work normal office hours and during the first three months they might be required to occasionally attend the office outside of normal working hours (e.g. to support software releases) and/or shadow a colleague already providing on-call support on an ad-hoc basis. On completion of 3 months in post, the post holder might then be required to provide part of a 24/7 on-call Rota.

Essential Criteria

Proficiency in the Java programming language with proven development experience utilizing Java development Frameworks (e.g. Spring).

Experience in Software design and build to specification of complex programs within a technical project team.

Proficiency in relational and/or non-relational databases (e.g. MySQL, MongoDB), and Java Persistence API (e.g. Hibernate, EclipseLink).

Ability to write clean, re-useable, secure code following best practice, standard and principles.

Experience in using TDD and/or BDD frameworks to develop and validate solutions (e.g. JUnit, Cucumber, Mockito, REST Assured).

Working knowledge of delivery methodologies (e.g. Agile), version control (e.g. Git), and CI/CD pipelines (e.g. Jenkins).

Ability to diagnose and resolve complex software problems and incidents.

Effective communication skills and a proactive approach to learning, mentoring and adopting emerging technologies.

Desirable Criteria

Experience of supporting and maintaining software in a live production environment.

Good understanding of developing scalable applications (e.g. microservices) in cloud environments (e.g. AWS, Azure).

Further Location Information

Please ensure that you only apply for a location that you are willing and able to work from, as we will only make one offer of employment. Any additional notes included in a Further Location Preferences (optional) field within the application form, will not be considered. Please be aware that you cannot change your location preference after submitting your application.

Transitional Sites Information

If your location preference is for one of the following sites, it is important to note that these are not long-term sites for HMRC and we will require you to move to a new building in the future, subject to our location strategy and the applicable employee policies at that time.

For more information on where you might be working, [review this information on our locations \(opens in a new window\)](#)

These sites are:

Benton Park View, Newcastle - moving to Pilgrims Quarter, Newcastle

Selection process details

This vacancy is using [Success Profiles \(opens in a new window\)](#), and will assess your Behaviours, Experience and Technical skills.

How to Apply

As part of the application process, you will be asked to provide the following:

A name-blind CV including your job history and previous experiences in the form of short descriptions of your jobs/roles, duties, skills, technologies and key achievements, please also let us know of your qualifications.

A 500-word Personal Statement which should be used to describe how your skills and experience would be suitable for the advertised role, making reference to the Essential Criteria and Person Specification as outlined in the advert.

Please evidence any Desirable Criteria where applicable (up to 250 words max). This is not essential for the role but may be considered by the vacancy holder where candidates have the same score at interview.

Further details around what this will entail are listed on the application form.

Sift

In the event of a large number of applications being received, an initial sift may be held on your CV.

At full sift your CV and your Personal Statement will be assessed, with the successful candidates being invited to interview.

We may also raise the score required at any stage of the process if we receive a high number of applications.

Interview

During the panel interview, your Experience and Technical knowledge will be assessed against the Essential Criteria, you will be asked Behaviour-based questions on Communicating and Influencing and Developing Self and Others to explore in detail what you are capable of.

The interview will also include a Technical test to ensure suitability against the minimum technical requirements of the role and also the opportunity to demonstrate greater understanding of the subject matter where applicable.

Interviews will take place virtually via video link.

Sift and interview dates to be confirmed.

Eligibility

Please take extra care to tick the correct boxes in the eligibility sections of your application form. Mistakes sometimes happen but if you contact us later than two working days (Monday-Friday) before the vacancy closes, we may not be able to reopen your application for you. If you do make a mistake with your eligibility form, or have withdrawn yourself in error and need your application reinstated whilst the campaign is still live, please contact us via: unitybusinessservicesrecruitmentresults@hmrc.gov.uk Use the subject line to insert appropriate wording for example Please re-open my application [insert vacancy ref] & vacancy closing date [insert date] .

To check that you are eligible to apply for this role, [please review the eligibility information before submitting your application](#).

Exceptionally, candidates who are not successful at this grade may be considered for appointment to similar roles at a lower grade where the eligibility criteria are met. If this applies, we will contact you directly.

The HMRC app can help you with your application

The [HMRC app](#) can provide you with your past 5 years' employment history, making the process of filling in your application quicker and easier.

If successful in your application, you will need your National Insurance number for the onboarding process.

Download the [HMRC app](#) now and save your National Insurance number to your digital phone wallet.

How to download the HMRC app and sign up for an account

Download the free [HMRC app](#) from the App Store or Google Play store.

If you have an HMRC online account already, sign straight in using your ID and password. If not, you can prove your identity by answering some questions or providing your photo ID.

You'll then be able to access the app quickly and easily by signing in using a 6-digit PIN, your fingerprint, or facial recognition.

You can find guidance for technical issues on GOV.UK: [Technical support with HMRC online services](#).

Reserve List

A reserve list may be held for up to 12 months from which further appointments may be made for the same or similar roles – if this applies to you, we'll let you know via your Civil Service Jobs account.

Merit List

After interview, a single merit list will be created, and you will only be considered for posts in locations you have expressed a preference for. Appointments will be made in strict merit order in line with the set number of roles in each location.

Criminal Record Check

Applications received from candidates with a criminal record are considered fairly in accordance with the DBS Code of Practice and the Recruitment of ex-offenders Policy.

Hybrid working at HMRC

HMRC is an office-based organisation, and colleagues are expected to spend 60% of their working time in the office. Our offices provide opportunity for interaction, collaboration which aids learning and development and a sense of community. Where the role allows it, and where the home environment is suitable, colleagues can work from home for up to 2 days a week, averaged over a calendar month (or a proportionate amount of time for colleagues who work less than full time).

Reasonable Adjustments

We want to make sure no one is put at a disadvantage during our recruitment process. To assist you with this, we will reduce or remove any barriers where possible and provide additional support where appropriate.

If you need a change to be made so that you can make your application, you should:

Contact the UBS Recruitment team via unitybusinessservicesrecruitmentresults@hmrc.gov.uk as soon as possible before the closing date to discuss your needs.

Complete the Assistance required section in the Additional requirements page of your application form to tell us what changes or help you might need further on in the recruitment process. For instance, you may need wheelchair access at interview, or if you're deaf, a Language Service Professional.

Technical Support

If you are experiencing problems that cannot be resolved by our [help](#) section, then [technical support](#) is available. You will receive a reply in 2 working days.

Additional Security Information

Please note in addition to the standard pre-employment checks for appointment into the Civil Service, all candidates must also obtain National Security Vetting at Security Check (SC) clearance level for this vacancy. You will normally need to meet the minimum UK residency period as determined by the level of vetting being undertaken, which for SC is 5 years UK residency prior to your vetting application. If you have any questions about this residency requirement, please speak to the vacancy holder for this post.

From 1 April 2026, applicants will be required to meet updated nationality and residency requirements so that National Security Vetting (NSV) checks can be conducted. If this affects you, we will give you more information at the appropriate time.

Important information for existing HMRC contractual homeworkers

This role may be suitable for existing HMRC employees who are contractual homeworkers. Occasional attendance to the office will be required where there is a business need. Please consider the advertised office locations for this role when applying and only select locations from the [location preferences](#) section that you can travel to.

Terms and Conditions

Customer facing roles in HMRC require the ability to converse at ease with members of the public and provide advice in accurate spoken English and/or Welsh where required. Where this is an essential requirement, this will be tested as part of the selection process.

HMRC has a presence in every region of the UK. For more information on where you might be working, [review this information on our locations \(opens in a new window\)](#).

The Civil Service values honesty and integrity and expects all candidates to abide by these principles. The evidence you provide in your application must relate to your own experiences.

Any instances of plagiarism or other forms of cheating will be investigated and, if proven, the relevant application(s) will be withdrawn from the process.

Recording of interviews is prohibited unless explicit agreement is sought in line with the UK General Data Protection Regulations.

Questions relating to an individual application must be emailed as detailed later in this advert.

Applicants who are successful at interview will be, as part of pre-employment screening, subject to a check on the Internal Fraud Database (IFD). This check will provide information about employees who have been dismissed for fraud or dishonesty offences. This check also applies to employees who resign or otherwise leave before being dismissed for fraud or dishonesty had their employment continued. Any applicant's details held on the IFD will be refused employment.

A candidate is not eligible to apply for a role within the Civil Service if the application is made within a 5 year period following a dismissal for carrying out internal fraud against government.

New entrants will join on the minimum of the pay band.

Please note that, if you are applying for roles on a part-time basis, the salary agreed will be pro-rata, reflective of the working hours agreed within your contract.

If you experience accessibility problems with any attachments on this advert, please contact the email address in the 'Contact point for applicants' section.

For more Information for people applying for, or thinking of applying for, roles at HM Revenue and Customs, please see link: [Working for HMRC: information for applicants - GOV.UK](#).

Feedback will only be provided if you attend an interview or assessment.

Security

Successful candidates must undergo a criminal record check.

Successful candidates must meet the security requirements before they can be appointed. The level of security needed is [security check \(opens in a new window\)](#).

[See our vetting charter \(opens in a new window\)](#).

People working with government assets must complete [baseline personnel security standard \(opens in new window\)](#) checks.
