The HMRC Modern Workplace Platform team are looking for two Senior Technical Architects to join the architecture team.

The Modern Workplace Platform team are engaged in an exciting period of modernisation of the departmental enterprise IT platform and the services we provide, placing us in the vanguard of HMRCs modernisation strategy. This ambition is enabling us to significantly grow our team of architects, and we are therefore seeking up to two motivated technical architects who share our excitement about the opportunities we can offer.

We are in the process of transitioning from a traditional Microsoft on-premises infrastructure architecture onto a cloud hosted modern workplace platform, which enables us to support HMRC's flexible working environment.

That environment includes:

Personal User Devices, currently using on prem device management systems such as AD/MECM/GPO, moving to modern cloud-based device management tools and technologies such as Intune, Windows Autopilot, Apple Business Manager all underpinned by EntraID.

We need to provide user device choice, zero trust access, cloud device management and effective assistive technology.

Application and desktop virtualisation, moving towards cloud hosted virtualised devices.

Enterprise Audio Visual collaboration tools (moving to Teams Rooms and in room AV technology) and Intelligent Building IT integration.

Internal Identity and directory services (Active Directory, PingDS), including multiple directory integration and synchronisation, moving towards EntraID and modern identity management and tools.

Enterprise productivity, messaging and collaboration tools, primarily Microsoft 365.

Device and Infrastructure Management and Monitoring systems (Device Build, Software Delivery, Security systems, Device and User Experience monitoring).

Job description

Within your area of specialisation, you will be responsible for:

Creating high level solution designs, service designs and technical roadmaps, underpinning our Modern Workplace architecture, and supporting HMRC's IT strategy.

Providing technical governance for new or updated solutions utilising existing group platforms, the introduction of new services or removal of end of life services.

Delivering technical consultancy throughout the service lifecycle from project to service delivery and defining best practice and standards for the platform.

Maintaining technology currency in your areas of focus through market research and vendor relationships and using these insights to maintain roadmaps and direction.

Communicating the vision and working with customers to ensure business needs are represented in the technology roadmaps.

Person specification

A broad IT Infrastructure background in solutions or technical architecture roles working within one or more of the domains listed within the job summary.

The ability to work in challenging and unpredictable environments, playing a key role in influencing strategic decision making and understand strategic consequences of IT decisions.

A focused approach on strategic alignment of technical design and architecture to meet business growth and direction.

Essential Criteria

Extensive experience in authoring and updating technical designs and roadmaps, supporting HMRC strategic objectives.

Proven experience of providing internal consultancy on potential uses and appropriateness of infrastructure technologies and driving benefits from these technologies.

An understanding of large scale infrastructure technologies including specific experience in at least one of the following:

- End User Device Configuration
- Software Delivery
- Hybrid Cloud Computing (Azure, AWS)
- Infrastructure Security Controls
- Device Management Processes and Tools
- Internal Identity Management
- Cloud based Identity
- Identity Roles and Access Controls

Desirable Criteria

Azure, AWS or M365 certification.

Professional IT architecture qualifications such as TOGAF, BCS or CITP

Further Location Information

Please ensure that you only apply for a location that you are willing and able to work from, as we will only make one offer of employment. Selection process details

How to Apply

As part of the application process, you will be asked to provide the following:

A name-blind CV including your job history, full qualification details and previous experiences.

A 500-word personal statement, describing how you meet the Person Specification and Essential Criteria

Please complete a separate statement (Max 250 words) for the Desirable Criteria where applicable. This is not essential for the role but may be considered by the vacancy-holder where candidates have the same scores at interview.

Sift

In the event of a large number of applications being received, an initial sift may be held on your CV.

At full sift your CV and your Personal Statement, will be assessed, with the successful candidates being invited to interview.

We may also raise the score required at any stage of the process if we receive a high number of applications.

Interview

During the panel interview, your Experience and technical design understanding relating to architectural design will be assessed, to determine your suitability for the role. You will also be asked to make a 10-minute presentation that focuses on your experience of a technical design/implementation.

Interviews will take place via video link. Sift and interview dates to be confirmed. Please note that circumstances may arise that require the

planned interview format to change. We will endeavour to provide you with as much notice of any change as possible.

Eligibility

Please take extra care to tick the correct boxes in the eligibility sections of your application form. Mistakes sometimes happen but if you contact us later than two working days (Monday-Friday) before the vacancy closes, we may not be able to reopen your application for you. If you do make a mistake with your eligibility form, or have withdrawn yourself in error and need your application reinstated whilst the campaign is still live, please contact us via: unitybusinessservicesrecruitmentresults@hmrc.gov.uk Use the subject line to insert appropriate wording for example Please re-open my application **[insert vacancy ref]** & vacancy closing date **[insert date]** .

To check that you are eligible to apply for this role, please review the eligibility information before submitting your application.

The HMRC app can help you with your application

The [HMRC app](#) can provide you with your past 5 years' employment history, making the process of filling in your application quicker and easier. If successful in your application, you will need your National Insurance number for the onboarding process. Download the [HMRC app](#) now and save your National Insurance number to your digital phone wallet.

How to download the HMRC app and sign up for an account

Download the free [HMRC app](#) from the App Store or Google Play store. If you have an HMRC online account already, sign straight in using your ID and password. If not, you can prove your identity by answering some questions or providing your photo ID. You'll then be able to access the app quickly and easily by signing in using a 6-digit PIN, your fingerprint, or facial recognition. You can find guidance for technical issues on GOV.UK: [Technical support with HMRC online services](#).

Reserve List

A reserve list may be held for up to 12 months from which further appointments may be made for the same or similar roles if this applies to you, we'll let you know via your Civil Service Jobs account.

Merit List

After interview, a single merit list will be created, and you will only be considered for posts in locations you have expressed a preference for. Appointments will be made in strict merit order in line with the set number of roles in each location.

Criminal Record Check

Applications received from candidates with a criminal record are considered fairly in accordance with the DBS Code of Practice and the Recruitment of ex-offenders Policy.

Hybrid working at HMRC

HMRC is an office-based organisation, and colleagues are expected to spend 60% of their working time in the office. Our offices provide opportunity for interaction, collaboration which aids learning and development and a sense of community. Where the role allows it, and where the home environment is suitable, colleagues can work from home for up to 2 days a week, averaged over a calendar month (or a proportionate amount of time for colleagues who work less than full time).

Reasonable Adjustments

We want to make sure no one is put at a disadvantage during our recruitment process. To assist you with this, we will reduce or remove any barriers where possible and provide additional support where appropriate.

If you need a change to be made so that you can make your application, you should:

Contact the UBS Recruitment team via unitybusinessservicesrecruitmentresults@hmrc.gov.uk as soon as possible before the closing date to discuss your needs.

Complete the Assistance required section in the Additional requirements page of your application form to tell us what changes or help you might need

further on in the recruitment process. For instance, you may need wheelchair access at interview, or if you're deaf, a Language Service Professional.

Technical Support

If you are experiencing problems that cannot be resolved by our [help](#) section, then [technical support](#) is available. You will receive a reply in 2 working days.

Additional Security Information

Please note: in addition to the standard pre-employment checks for appointment into the Civil Service, all candidates must also obtain National Security Vetting at Security Check (SC) clearance level for this vacancy. You will normally need to meet the minimum UK residency period as determined by the level of vetting being undertaken, which for SC is 5 years UK residency prior to your vetting application. If you have any questions about this residency requirement, please speak to the vacancy holder for this post.

From 1 April 2026, applicants will be required to meet updated nationality and residency requirements so that National Security Vetting (NSV) checks can be conducted. If this affects you, we will give you more information at the appropriate time.

Important information for existing HMRC contractual homeworkers:

This role may be suitable for existing HMRC employees who are contractual homeworkers. Occasional attendance to the office will be required where there is a business need. Please consider the advertised office locations for this role when applying and only select locations from the [location preferences](#) section that you can travel to.

Terms and Conditions

Customer facing roles in HMRC require the ability to converse at ease with members of the public and provide advice in accurate spoken English and/or Welsh where required. Where this is an essential requirement, this will be tested as part of the selection process.

HMRC has a presence in every region of the UK. For more information on where you might be working, [review this information on our locations](#).

The Civil Service values honesty and integrity and expects all candidates to abide by these principles. The evidence you provide in your application must relate to your own experiences.

Any instances of plagiarism or other forms of cheating will be investigated and, if proven, the relevant application(s) will be withdrawn from the process.

Recording of interviews is prohibited unless explicit agreement is sought in line with the UK General Data Protection Regulations.

Questions relating to an individual application must be emailed as detailed later in this advert.

Applicants who are successful at interview will be, as part of pre-employment screening, subject to a check on the Internal Fraud Database (IFD). This check will provide information about employees who have been dismissed for fraud or dishonesty offences. This check also applies to employees who resign or otherwise leave before being dismissed for fraud or dishonesty had their employment continued. Any applicant's details held on the IFD will be refused employment.

A candidate is not eligible to apply for a role within the Civil Service if the application is made within a 5 year period following a dismissal for carrying out internal fraud against government.

New entrants will join on the minimum of the pay band.

Please note that, if you are applying for roles on a part-time basis, the salary agreed will be pro-rata, reflective of the working hours agreed within your contract.

If you experience accessibility problems with any attachments on this advert, please contact the email address in the 'Contact point for applicants' section.
